Dear Mrs. Benson,

If you had a few more ladies like Mrs. Parker Hicks to help you I have no doubt you would see an increase in the rapidity and conciseness of your information, if you have any more like her send them along to me. If you ever get down this way be sure and call and see.

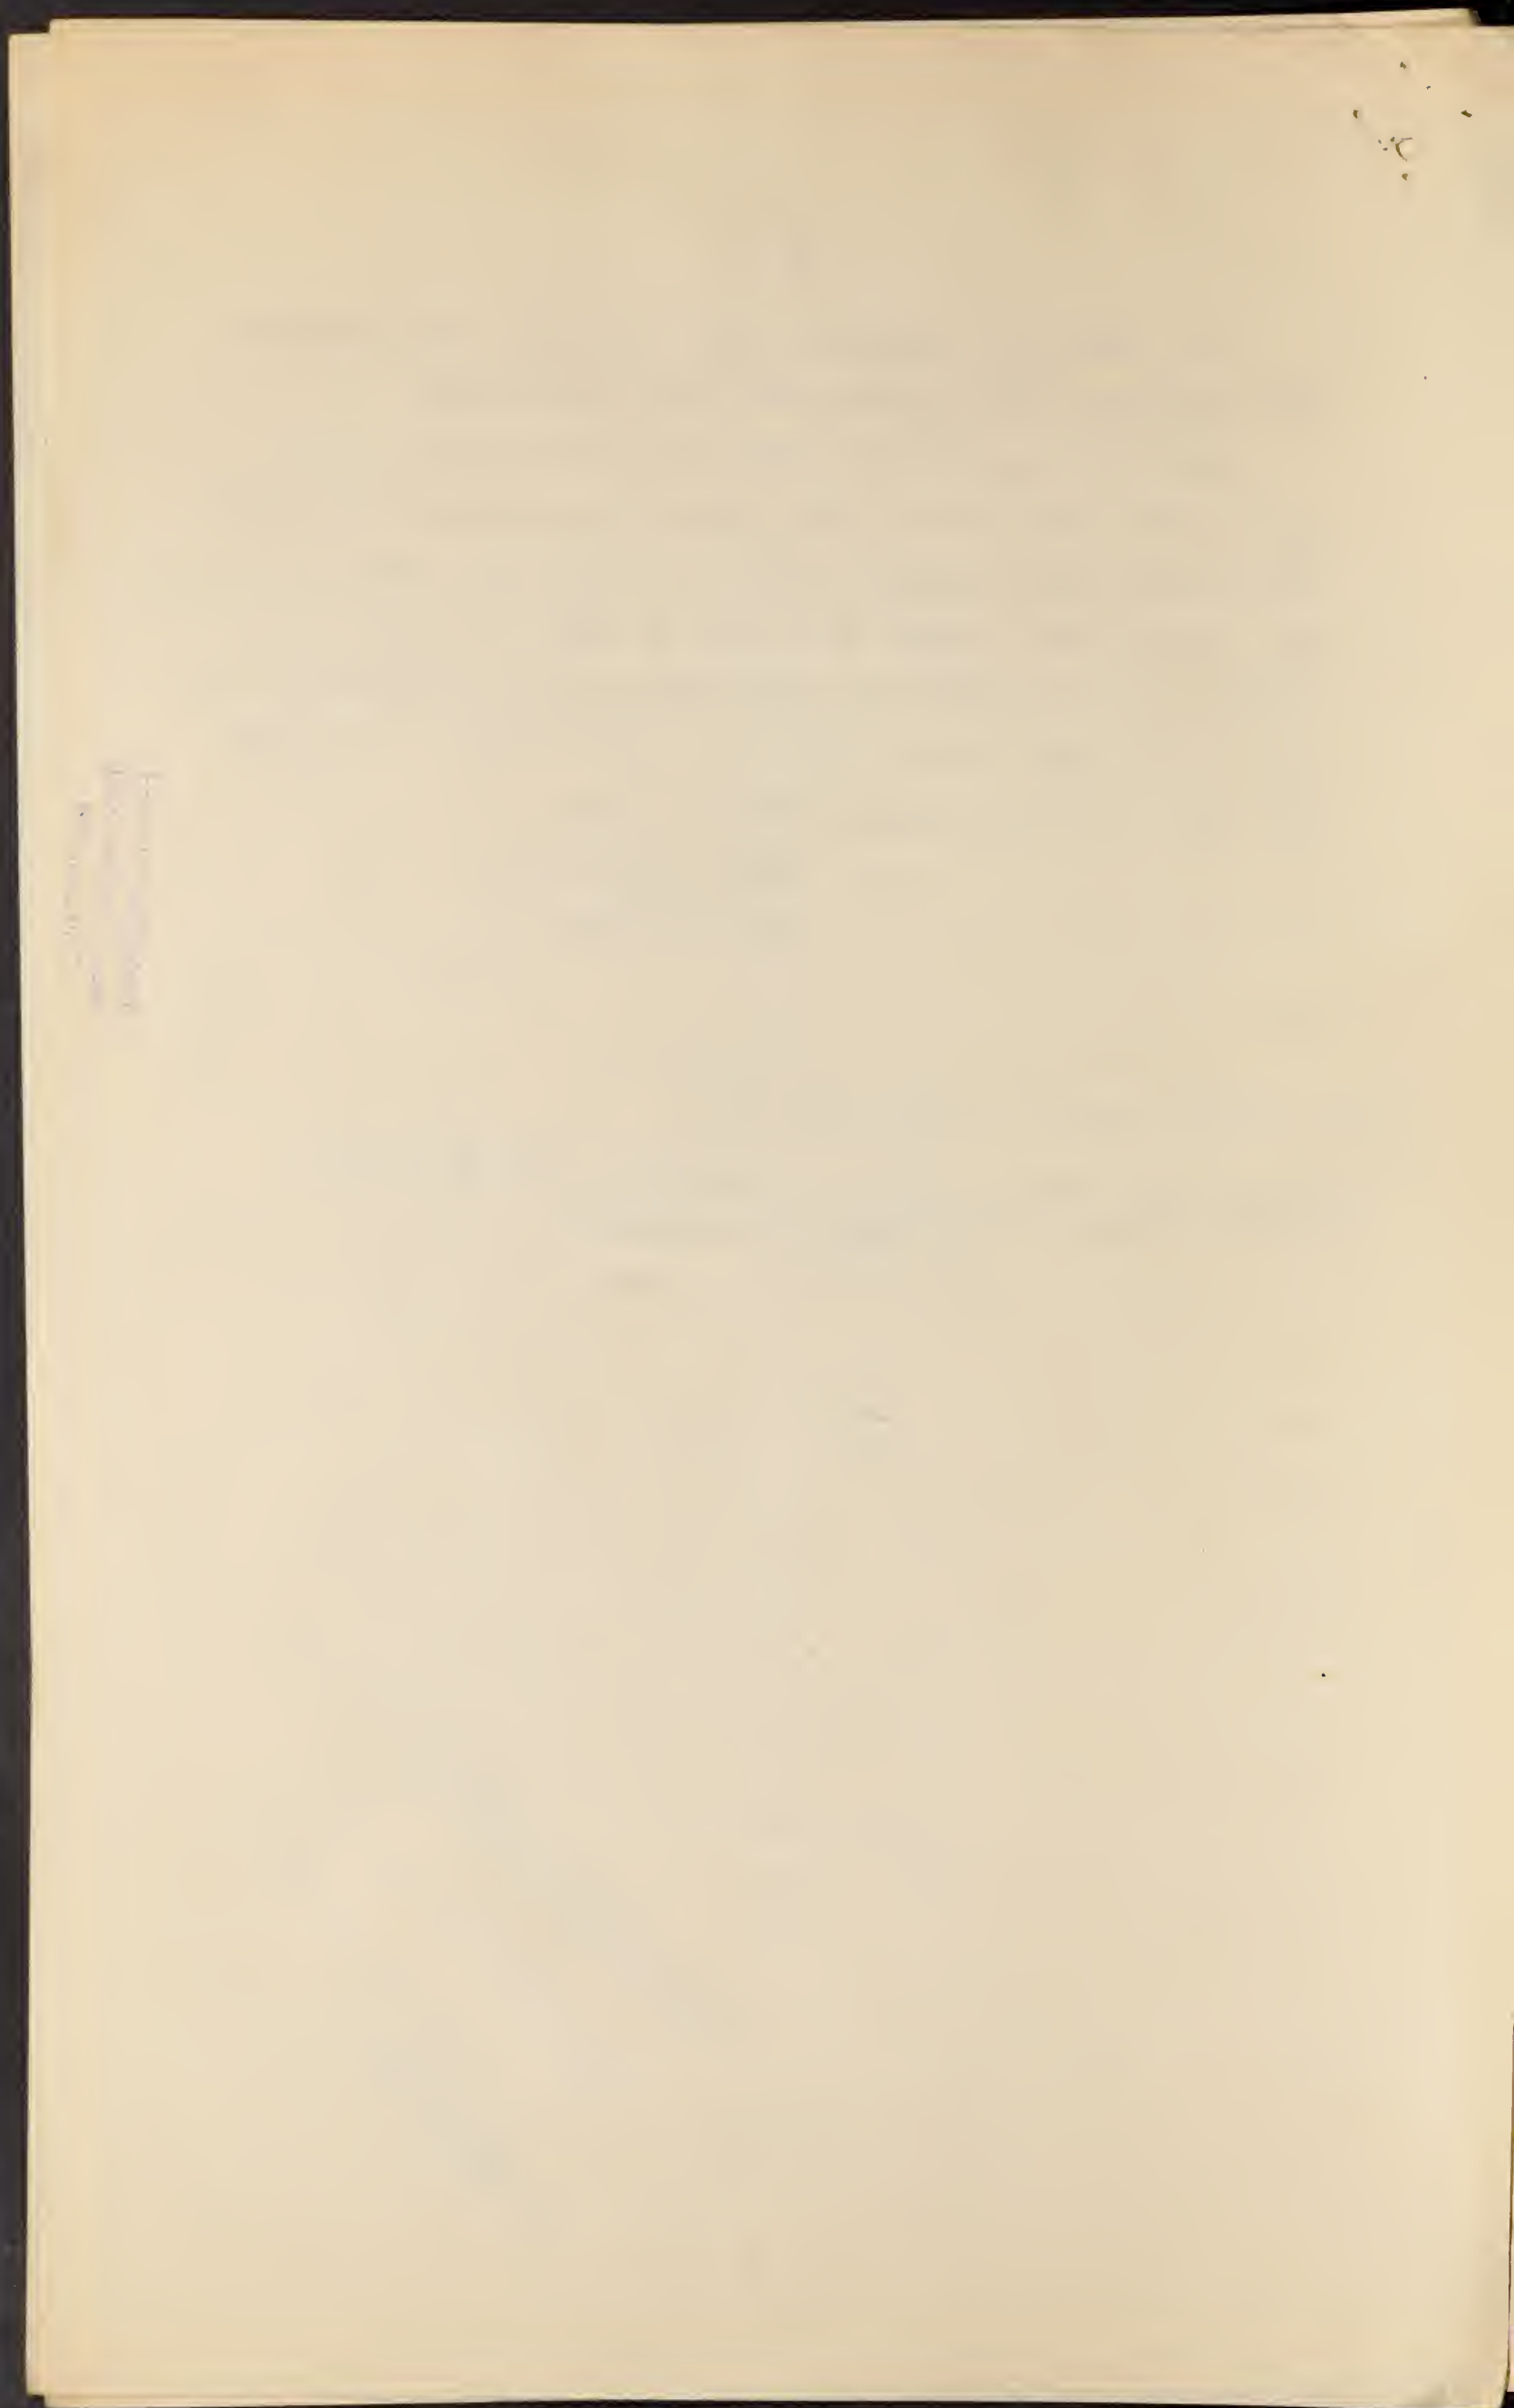

Yours very truly,

Mar, 22nd 1940.

Dear Mr. Freeman,

I was very pleased to get yours of Mar 19th, and the comments on your search for Rogers and Weese.

Personally my lines have been Valteau, Lazier, Losee, Andrews, Boyd, S Lawrence, Desmorest, with an abiding interest in all the Adolphustown UEL such as DeMille, Davy, Perry, Edgar, Fairfield, etc, with whom there is a connection somewhere. I find that any one of these UEL families comes back to ones own line if it is traced .

The only Valteau roots that seem to crop up in your vicinity are the Webbs coming from a Bouckley who married a Valteau, Mrs, Bertram Becker was a Valteau. I know Mrs Austin also mother of Jack, and some others in the town.

In looking at the Crusoe Family Robinson last night at the theatre I was struck by the Wyss name of the author and wondered if you ever connected it with the Anglicised spelling Weese?

In considering the families submitted I am ashamed that I have so little to offer. However attached is a Freeman clipping which will give you an active USA genealogist on this line, if not two of them. You may be aware of the routine, in any case you write to the genealogical Dept of the Boston Transcript, Boston, Mass, and give the two references, ie, 9589 Panama Dec 16th 1939 and G F M 5865 Mar 31 1933 and ask for their addresses. The other way is to write your enquiry genealogically re the family and wait for some helper to reply in the column. I subscribe for the paper which has two full pages on genealogy in the Sat, edition only. It has been doing this since 1888 and has covered 42000 families.

The Weese family looks interesting, have you already noted the Lutheran records in Vol. 6 OHS pg, 139, viz,

✓ JOHN WIES and wife NANCE  
issue, Margaretta bp, Dec 8th 1797

Wm Wies and wife MARY Barnhart pg, 141  
issue, Saly b, Nov 9 1803  
George b, July 23 1803.

Peter Wies & wife Lana Bonta pg, 148  
issue, David b, Feb 29th 1815, bp, Nov 5th 1815  
Jacob b Nov 22nd 1803  
Mary b Jan 30th 1808

✓ In the OHS vol, 1, could you tell me what family Jane Campbell comes from, the entry on page 96, and 21, viz,

JOHN WEES m, JANE CAMPBELL, wit, Ebenezer Williams et al,  
issue, Isobel, b, 8/16/1801

✓ In the same record which wife of Robert Perry Jr, was Ann Rogers m, Dec 23rd 1790?

I notice David Macgregor Rogers lived with his father in Ernestown till 1792 and at his death apparently eventually ended up in P.E.Co, is he the same one I quoted the birth date for above?

Coming back to earth I note with lifted eyebrows that Doctor Burleigh kept the mail service open in writing you. If he did he likes you better than he does me for I have had to use a mustard plaster on him to get any action at all. Even this last flurry I sent pages of dope on the Campbell line covering it from King Arthur's time and with a tie in of the Martin data he submitted and not a scratch from him. In fact I have written twice since and still the Cemetery spectre as he says they call him preserves a stubborn silence.

He scolded me for not giving something on the widow Andrews who with six sprouts married a Capt Rowe settled in Whitby and later in Fenelon Falls. I wish we could get something on this for him. What do you know about Capt James Rowe R.N. who lived between Cobourg and Port Hope and was connected with Anderson of Deseronto and Jacob Herchimer the old merchant who was drowned on the Speedy. By the way I note the ancestor of the Wilmots of Newcastle, Stegeman was also drowned on the same boat. The account is in OHS Vol 6.

I had a chance to see the last word in devoted genealogy in a copy of Dr. Laughlin's work, 200 pages mimeographed by him personally on Laughlin McLaughlin, Lakes, Davy, and what not with no pulling of his blows. If a cousin was or is adomestic, or a so and so he says that and goes on merrily.

I will copy the Davy records for Marie Lowry later. I introduced her to a genealogist descendant of Ebenezer Washburn a Mrs W Meritt here who has published a book on the Hares and she enjoyed that very much., Mrs Meritt has the original bible which is indeed a curesity.

I looked of the Loyalist claims under Rogers and realize that something can be constructed genealogically by looking up all the Roger references in the index. Have you done this? I could not identify a claim by William but I noted associated references such as John Adams Pitt Town N.Y. bro in law to John Rogers with a deed to Wm Rogers 1760 the father in law bing executed by the rebels. In your remarks thas Wm Rogers from Saratoga got over here. However if you have studied the claims there is no need of my dwelling on them

When you wrote to Ottawa for a search did you mention in particular that you wished them to go over the Haldimand Papers for references to the search? If not do not hesitate to write again and make no reference to the previous search and you will get an entirely new reply. It is very nice fishing. I have had three on the Valteau all different and together they make a real contibution.

If you have anything on Randall or Rundle and have not been a correspondent of Mrs F.Randall Livesay of Clarkson, Ont, send it to me. She is tops in this game and much of my real live repliers I owe to her tips. She has a genealogical reference list which might yield a name for you as an authority on your lines.

I hope that you will not fold up after this letter and I will not hear from you again. I will be glad to do anything for you and some of the sources I have cultivated in the States you may be able to use in the same manner.

cordially yours,

D.A.Valleau

Dear Freeman:

Enclosed two clippings on Rogers & Freeman. By the way please feel free to send me your enquiry which you planned for the transcript and I will send it along for you until you get going.

This Rogers item indicates what a mine of data you can tap.

What relation was Wm Rogers your ancestor to Major James Rogers of the Rangers & who settled in Fredericton 1784 d 1792 - father of David M G Rogers?

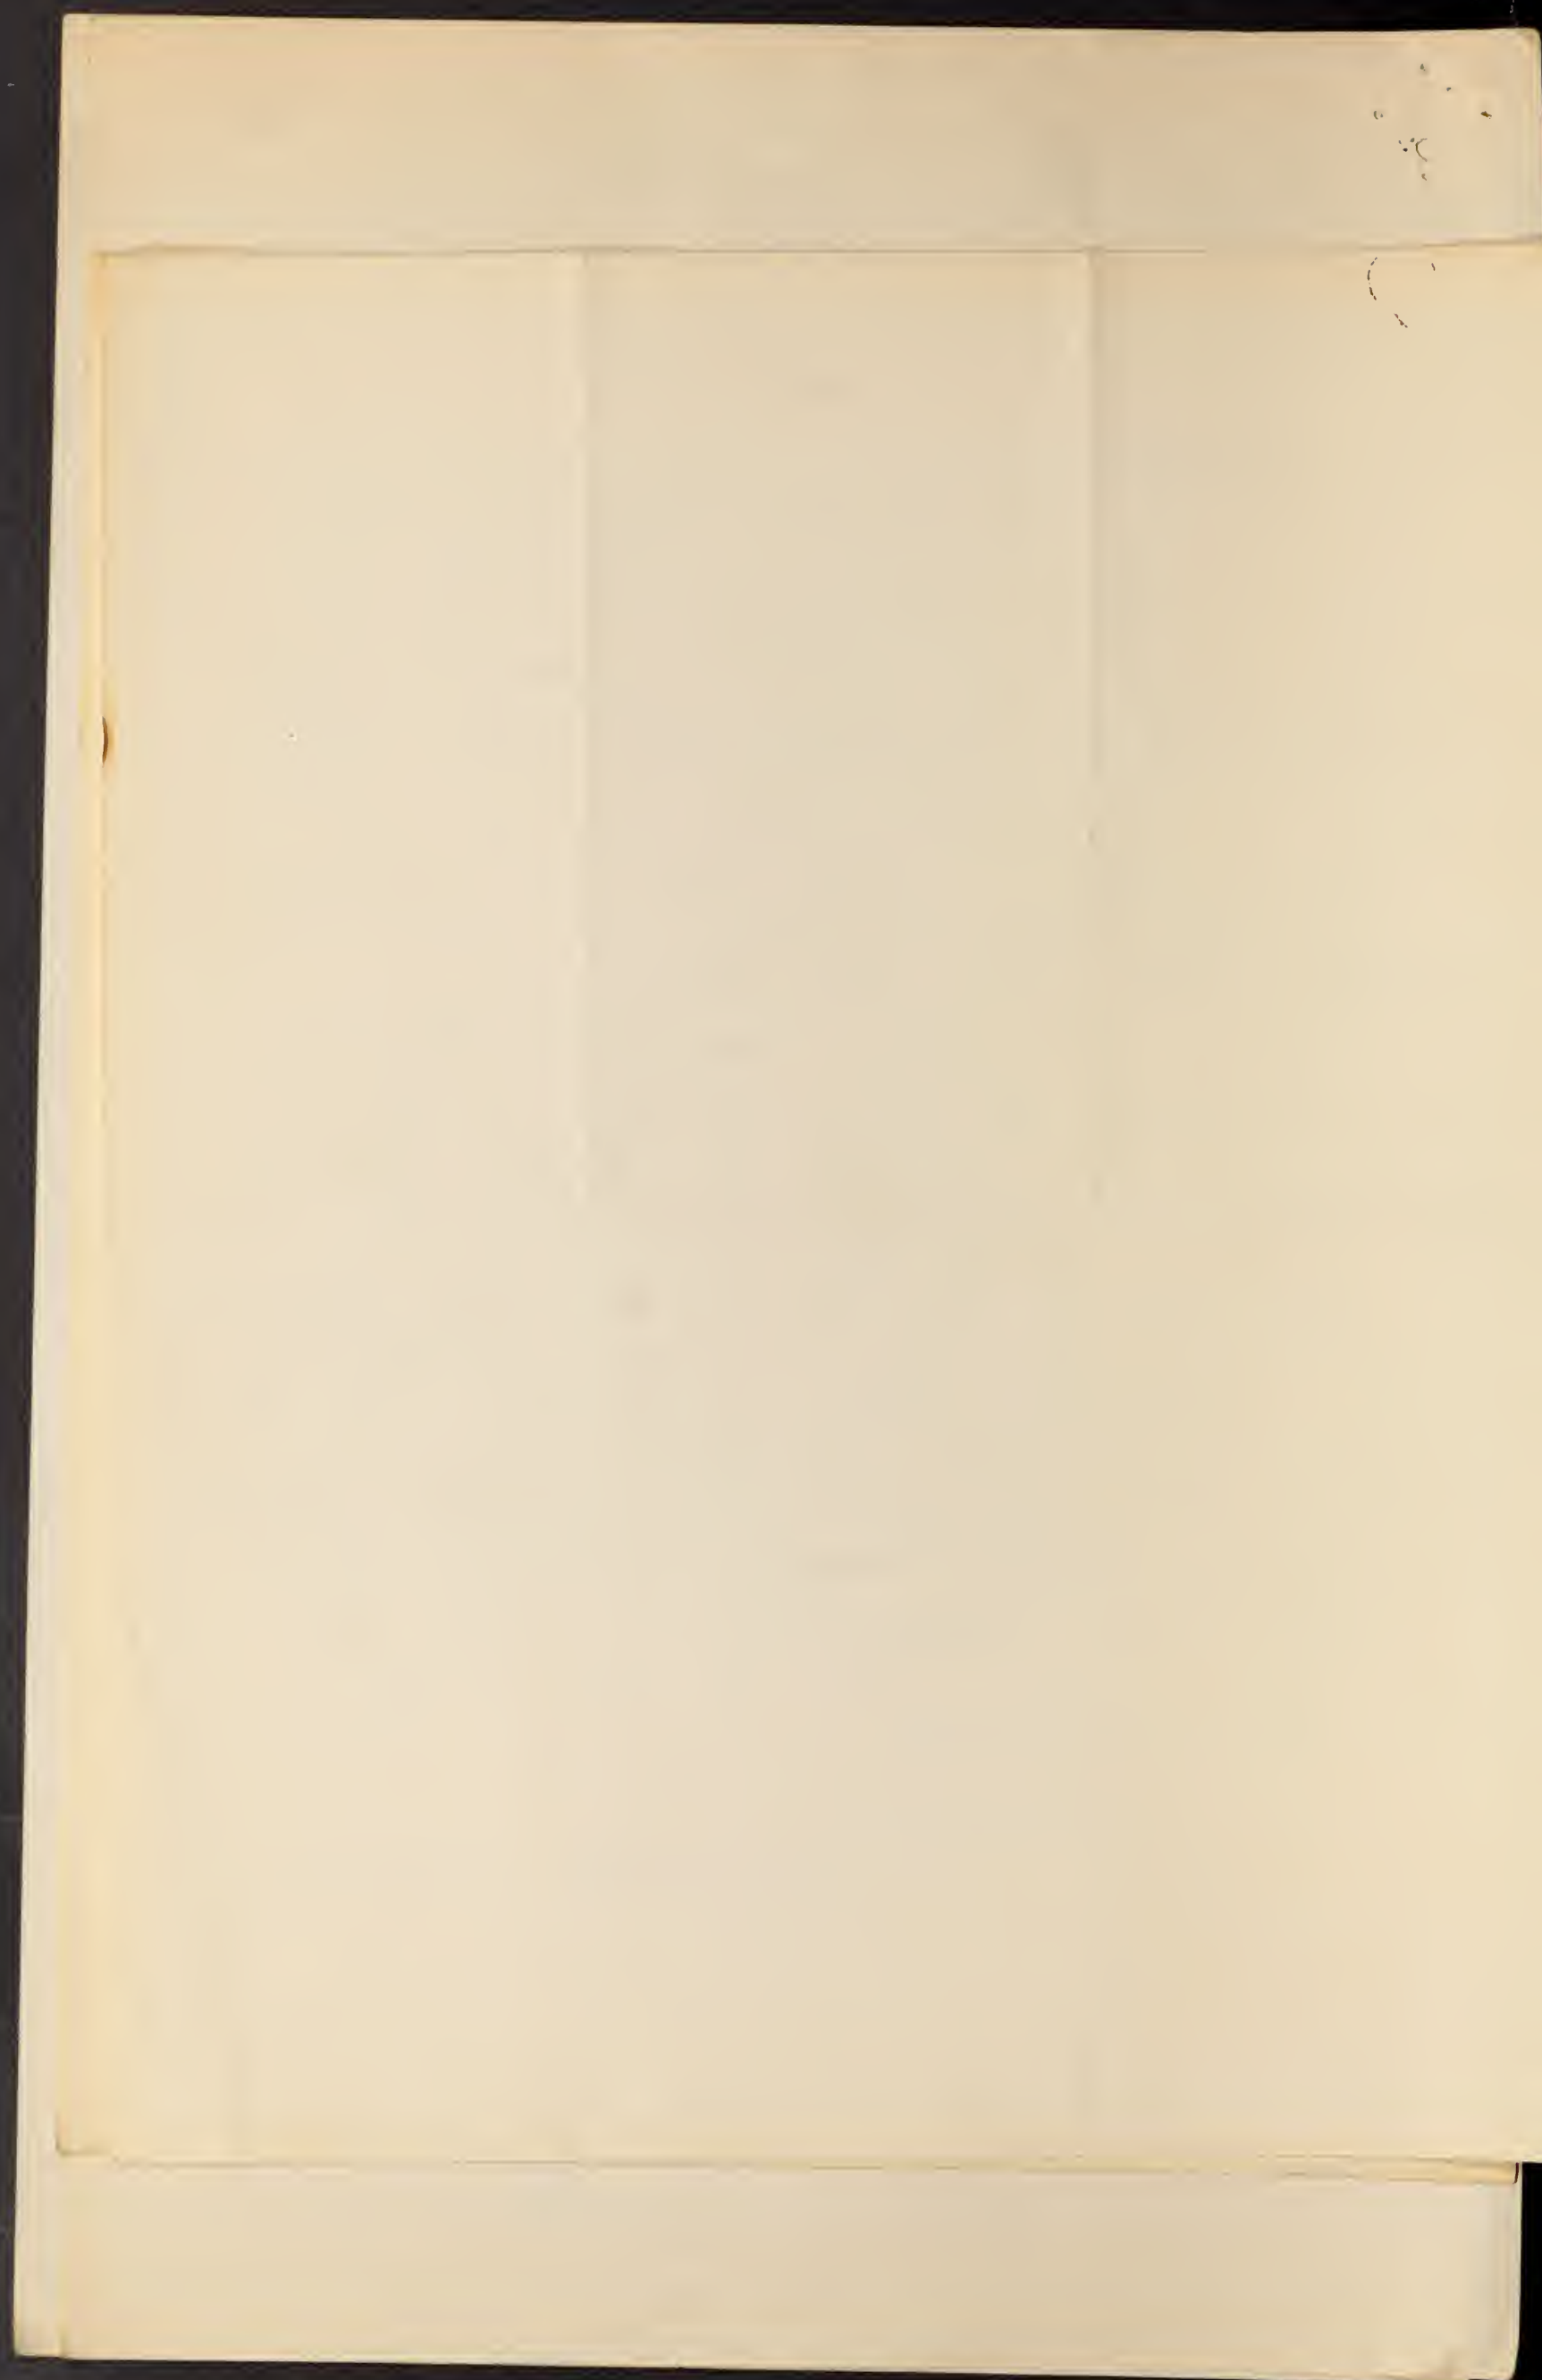

There must have been lots of biography on this. Have you read Cariff's "Settlement of Upper Can" on this? If not I will copy the reference. I note Timothy Rogers settled around Pickering in Pioneer days - is he a lost trail?

I have been looking forward to a note from you & from Doc B. but no dice!

Dear Freeman: Thanks for breaking  
the Silence - Can understand that  
things do get a bit thin now and  
then.

I am enclosing two Clippings  
one you fathered, the other is  
for your scrap book.

As for the Bouckley notes -  
these are about correct for  
the family - I have no detail  
on the descendants of  
Charlotte Vallan who married  
Wm Peterson (Colborne, Ont  
Jane Vallan m Hiram Buckley  
and not too much on the  
issue including Charlotte who  
m. Mos Webb. Brighton. Ont.

Mrs. Buckley is correct in  
two wives but there are  
two Cornelius Vallans  
in the same boat!

3. The old Cornelius Vallan of  
Hay Bay m'd first of course  
Ann Rowe + 2nd Janet Leughead  
of Centerville, Bar, Sack of Newburg.

There is no family record  
of a Melissa Vallan at all  
so if you find this is true - take  
off to your informant.

Cornelius Vallan who  
married the Pearsall and then  
Potter had a sister Mary  
Catherine Vallan m'd to  
Rev. d Wesley K. Burr.

The facts of a Melissa Vallan  
being born after father's first  
wife should be verifiable by  
Mrs B. H. Becker (Annie) - I do not  
know anything about Ella her  
sister - perhaps this could be  
picked up?

I used to know the Beckers  
but it is years since we last met.

Did you run across anything  
on my Simmons notes?

Regards P. Vallan

Dear Freeman:

Some time ago I  
had a yen to trace the Caseys  
of Kapanee and have some  
excuse in a great great aunt  
who married one I persisted.

In my wandering I  
dug up by psychic means  
the original Casey from  
Rhode Island & the Correspondent  
I happened on turned out to be  
a Gentleman Author of a book  
on this Casey. The famous (!)  
Silver Smith of Rhode Island.  
I had furnished the answer  
to their prayers as to what had  
become of him as when he left

✓ Rhode Island in Revolutionary  
times he was travelling with a  
messenger again him and a  
piece on his head.

However this Chap a Mr Miller  
called on me for a few minutes  
recently to express his gratitude  
for my questions which led to  
his fate.

All this story for a purpose!

Samuel had two sons  
and Millet 1764 - 1848 had  
a goodly family amongst  
which one Thomas Casey settled  
in Brighton. The brothers & sisters  
dates might indicate his time:

Haratio Nelson Casey no date

Samuel Casey m. H.A. 1786 - 1857

Patty Casey m. Gilbert Dorland

same as Millet & Dorland

Mary " m. Capt Isaac Ingersoll

Euseb Bedell m. Sarah Casey on mch 5 1844.

3. Naturally I wonder if any of this Casey line shall live in Brighton or are traces available in Cemetery or otherwise.

I hear A. Barbey had joined the Army & is the Doc for the boys in Kingston.

Outside a letter from "Valley" people in Kenmurry I had heard nothing in genealogy for ages - The war has taken the heart out of everyone. However I did notice a "Blacker" went up on the m & g by J. Frederick B. Myers.

Drop me a line some time and thanks for the Simmons notes - They were not applicable but one never knows how they will fit

Dear Freeman: Pardon the informality but I am sure we can dispense with titles in this fraternity which has so few Brothers. Some of my "Replies" have been "A F & A M" and on the USA side they hasten to say so. My name suggests "Re" to them and they feel comforted to know I am Huguenot and a Mason!

You have agreeably surprised me with your Reply - I enjoyed the chat with you very much. I spent Sat & Sun Copying the Langhorne

You mention Simmons - I have been trying to trace a family in your general area - perhaps you might help?

The Bulkley line descends from Jane Vallan m. to Hiram Bulkley Oct 19. 1831. with issue Stiles, Mary Jane, Ann Maria, Charlotte Christina Emma and Nelson.

If you get a chance to amplify the above for me would appreciate it. The Jane Vallan was a sister of my <sup>great</sup> grandfather Wm Vallan who married Catharine German of Hay Bay Adolphustown.

They lived in Brighton in the old days and  
moved to Barre, Ottawa. William was

Mrs Austin always enquired for him, claimed  
Cousinship thru Bowles.

Christopher was my grandfather's elder brother.  
I have a lot of data on "Pencil" from

is the address I mentioned you referred  
to her as Mrs. Randall.

Did you ever run into anything on  
Losee of Wicklow? He ran an Inn there  
According to Mrs Ann Young. &c. and while  
research the line I am tracing was interesting.

Rev. Wm. Losee was an interesting character  
and apparently died at Carman Rushmore's  
in Hempstead. L.I. A "will" in Colborne  
Reg. office files for lots 14-15 Wm Losee to  
Rushmore children in Hempstead belonging  
to his wife Mary Losee. This interests me  
but I have not got the answer. The Joseph  
Losee of Wicklow was from Poughkeepsie N.Y.  
The land went to Benjamin Clarke in  
Ernestown - why?

Have you got a copy of Laughlin's  
book. Bill Hutchinson here has been  
I am waiting patiently to read it. Bill  
is a "Rancier" fan

Best regards

Sincerely,

David A. Vallau

Dear Freeman:

Enclosed are clippings from the Transcript. I do not believe that I shall continue it after my subscription runs out in early July. I got no reply to Loe's data and if they are interested the route thru the B.T. gives my address.

I wrote Mrs. Becker on the occasion of your last letter but misplaced her reply and do not recollect that she told me much. Would be glad if you could do me the favour of giving her a quiz - Can do?

I would like to know:

1. Did Cornelius Vallan her father have any children by Polly Pearson and if so what is their history?
  2. Is there any connection other than coincidence  
a) between Martha Potter her grandmother on her father's side and Miranda Potter her mother?  
b) between Ann Rowe her great grandmother on her father's side and Anne Rowe her grandmother on her mother's side?
  3. Is there any chance that Marie's husband descends from Martha Rowe + Thomas Roblin - this would be most intriguing
  4. I wonder how Mrs. Bulky knew the birth date of Ann Rowe?
- Thanks a lot

Mrs. Marie Rogers of Hollywood mentioned your name in a recent letter, stating you were interested in "Rogers" family. I have sent her "Bradshaw" data and some "notes", a copy of which I enclose hoping you may find something therein to interest you. If you ever discovers any "Prouse" or "McLaggart" data, or anyone interested in same, I would appreciate hearing from you.

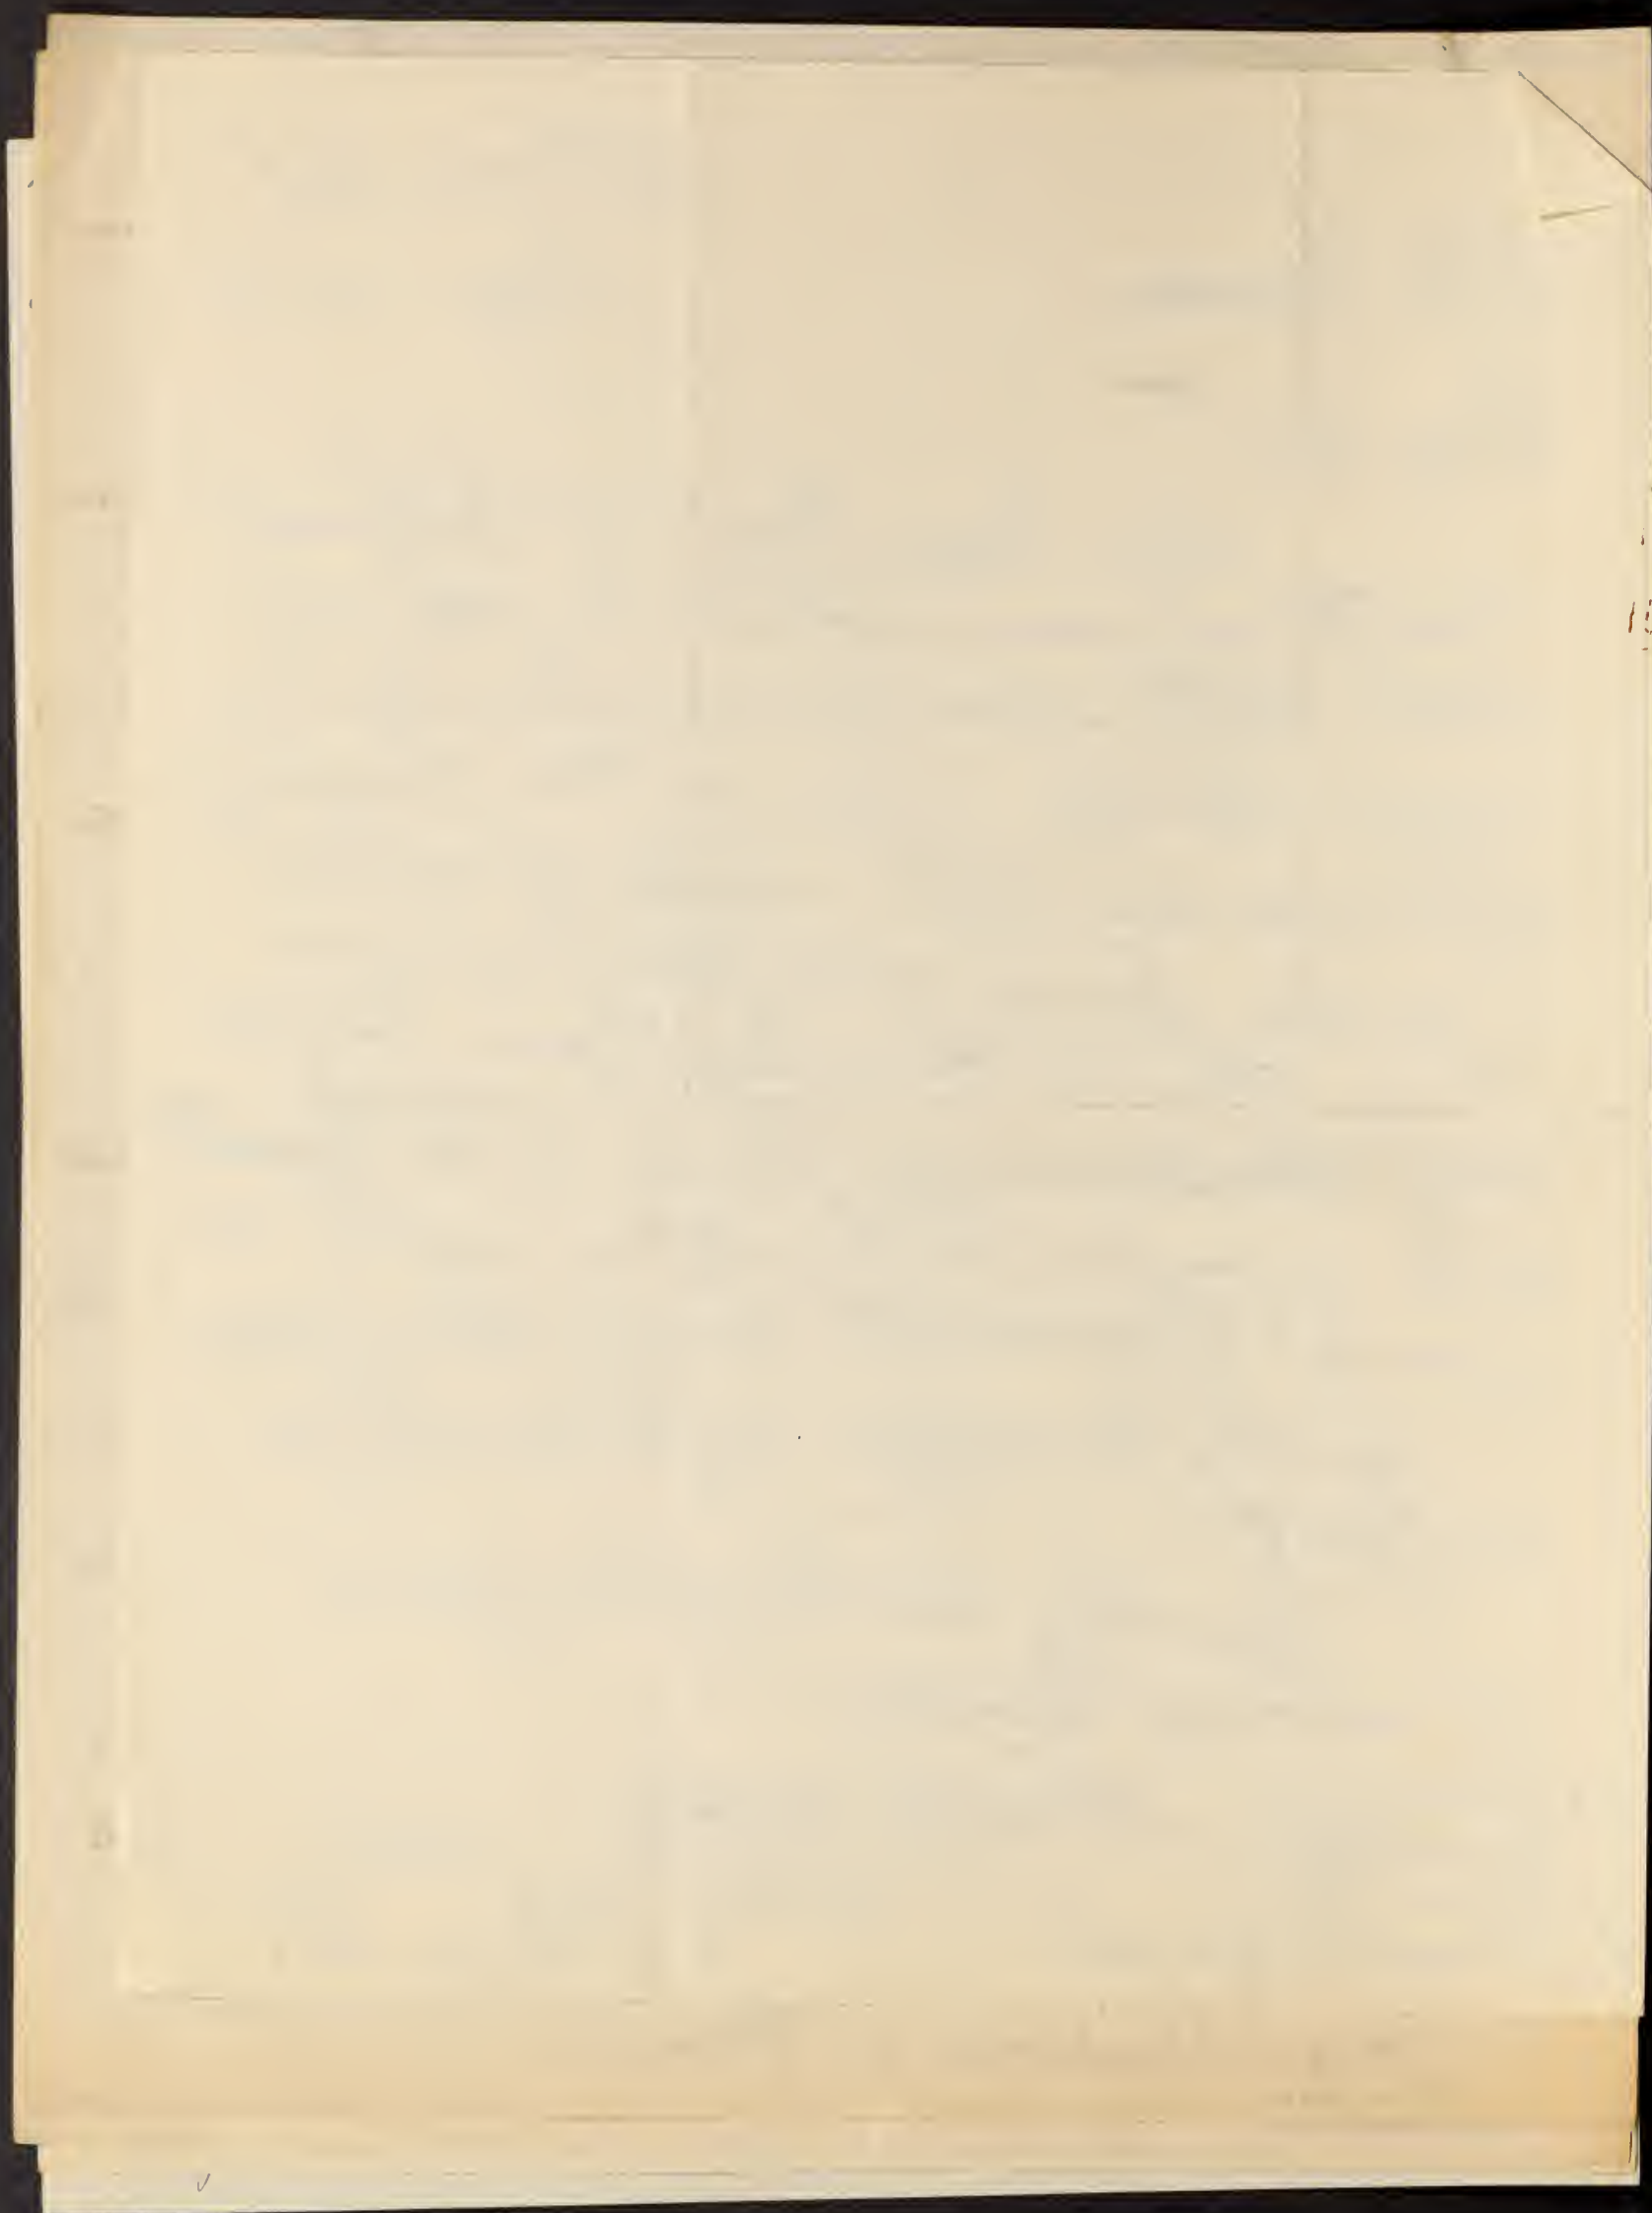

Isn't Homology a fascinating subject?

Trusting to hear from you sometime, remain,

P.S. There are 7  
books & pamphlets  
written on "Rogers"  
I will send a list if you wish.

Sincerely yours,

Dear Ray:

This epistle is provoked by your regeneration - the ~~me~~ coming but nothing on your coming to life!

My, My! What a lot has happened since those early enquiries - the war, its ups & downs - our lives - and the things we have been interested in.

Some time ago Dr. H.C.B. my "pen pal" & our "introducer" or "seducer", got into a luddle over a Martin family who had in a momentary enthusiasm or weakness asked him to trace their forebears in Campbell's from Deseronto and pre-Adolphustown. His enquiry to a "brother of the pen" brought the fact to light that I was endowed with a pen of Campbell here being snooping into the "married into" of Le alde Vallaux!

From scratch we have produced a real lot of data - it still goes on!

We got a Clark Diary in Kingston 1790 or 1800 to 1837 or 1837 to 1863 I guess, which gave him a heap. Scapion, Loe & Clark, Andrews, Campbell to feed me.

I have also taken a passing interest in the "Casey" family which was represented in Brighton by one Horatio Nelson Casey & among whose descendants Mrs Harte of Hamilton has found me some real data - I learned the address ref. from Mrs Dr A Brown ex Colborne.

Adelpha D. Peister formerly of Brighton has been a failure as a prospect for data tho "Al" her son has fed me regularly -

2  
Due to army contacts here early in the war - Sherman  
formerly of Brighton & a "Lieut Col" while here had many  
a chat with me re WFL & Brighton families

Dear Ray: I have made two week end trips to Toronto lately and while pursuing Casey records, I have noted the following news or the contrary tho' they may be:

1. Attached from Austin - in the Genea. Directory of R.L. (R.L. Case)
2. In the UEL Assoc. Annual Transactions Year ending 12/14 1899 by Walter Rogers B.A. Barrister, London Eng. Read by Lieut Col H.C. Rogers of Peterborough Ont 12/14/1899. This is from records in England & has a piano notes & references. Reads like this "gggrandfather was Col. James Rogers, wife was dau of Rev David McGregor of Kentlandry N.H. James d. 1792, Robert d in Eng. 8 yrs previous.
3. American Loyalists - Sabine pp 557 - reference
4. Intarian Families - Em Chadwick Ralp Smith to 1894 Toronto Rogers. pages 9-11. Vol. 2.

Too much to copy unless new to you!

5. Had letter from H. Otto Muller, Box 571. London Ont is a prof. Genealogist & he has promised to cooperate with any references.

Asks for help for Benjamin Brown, Brownville N.Y. m. Clara Fairfield - OHS vol 1.

He is writing the biogr. of the 500 British Rangers This may cover "Rogers". You can explore that with him if you choose.

He mentions a diary of George Hill settler 1854-62 as being a source of reference. It will be a nice job to get a copy!

(over)

6. In "In. Public Library" "Hand Book of American Genealogy" gives names of Genealogues in prep. in 1927 with the Campden address. Did not get time to check your lines. Could be there.

7. In this reference is made to

Dear Ray:

Re Rogers promised "Past years in Pickering"  
pub. Wm Briggs 1911 - author Wm R Woods.

"Timothy Rogers lived with his wife and family at Sandy Mt, where four of his daughters married sons of Wing Rogers of that Place. Later he removed to Sherbrooke, Vt, where he utilized a large water power and built a mill.

"In 1800 he visited Canada and made an arrangement with the authorities for 40 homesteads of 200 acres each. The following year he located forty families in the neighborhood that is now Newmarket.

"A little later he settled in Pickering where he received a large grant of land. He built the first mill in the town and was the pioneer of a considerable number of "Friends", by whom after a time a Meeting was established.

"Two grandsons of Timothy Rogers, James and Clarkson, still live in Pickering" (1911)

This may be sufficient to follow up the names check in your records.

Miss H. McClung of the "Archives and Public Records Dep." Provincial Parl. Bldg, Toronto, is very cooperative and might look up Petitions bearing on him.

If you have any "Desmorest" line Dr. J. S. M. Desmorest of Sterling, Ont has a complete genealogical reference available. I satisfied myself on that line thru a copy of the Family Record, borrowed from his sister here. It was a lot easier than reworking the whole job. In it I notice one Walter Rogers.

Love V.

P.S. How did you find Gibbard? I got his ref. from Hawley's line.

Handwritten text in a cursive script, likely a letter or a journal entry. The text is written in a dark ink on aged, slightly yellowed paper. The handwriting is somewhat faded and difficult to decipher in many places, but it appears to be a continuous flow of text. The text is organized into several paragraphs, with some lines indented. The overall tone of the writing is formal but personal.

Yours truly,

John F. Kennedy

I did some work on the "Hawley" line but having satisfied my curiosity on the Vallan connection quit. The "Hawley" 1890 has 3000 names - Gibbard has a copy - another in Grosvenor Library Buff. Can give you a Hawley name there for ref. if needed.

Because he has some data on your "Hawley - Wells" which he acquired on Bradshaw. However you are welcome to peruse them if you desire - long went up from H.C.B. of Bath included on Virgins.

Dr. the Timothy Rogers of Pickering will look up a Pickering book for a possible write up.

By the way I have a picture of my great-grandfather's dau Mary Vallan wife of great-uncle Albert Hawley. She was only a girl then - but pretty. I knew "Styles" - he was Supr of Asylum on Hamilton & d. there. Our families lost all contacts in later years. Louise lives in Napawa Can & could give some data on the more recent descendants. John Hawley who m. Nellie Peck lives here but is on the road to senility & not much help.

Dr. Bird remembers you quite well. Mrs Becker ne Vallan sent some notes on her family but did not tell me much - in fact guess I was ahead of her. Robin seems to have got me wrong on the Postoffice never got anything from him of value.

My dear mother - I have just received your letter of the 10th inst. and am very glad to hear from you. I am well and hope this finds you the same.

I have been thinking much lately of the future and how I shall spend my life. I feel that I must do something to make my life count.

That note en Rogers from M.C. of "L" might be anything - the last <sup>capital</sup> letter told the location of the correspondent. A letter to the Enterprise or News, St Johnsville N.Y. & ask Brouse to wait for reply might reach him. This paper is only nominal in Col. & would be worth while.

Dr Clark of Brighton is married to Cathleen Liddle of Grimsby, a 15. cousin once removed of my wife Frances Gibson of Neweastle. But we are casual callers there but fond of them.

Mac Webb is difficult & I have abandoned that line as too much trouble to attend.

The Manuscript passing was a slow - it was a pleasure to assist. Apparently you are a musician - I play piano indifferently but my son of 19 yrs is a "Swing" guy - Et. Sax has had his own orchestra for several years - directs accompaniments for instruments, plays Swing on piano, Oull fiddle, Clarinet, & Tan go to town on most of the others - 10 pieces in his orchestra - up to 19 yrs - quite a noise when they practice here! Has most of the good dances here & had chance on one with the Granite Club on 2nd recently. Not figuring on a career just loves to "give" - red headed!

Re Vallau-May: My great-grand father Wm Vallau of Selby, Ont had a brother Peter who settled in Ameliasburg & his son Irvine Vallau m Phoebe Jane Townsend, <sup>is now</sup> Dudley - was the eldest son - b. 9/29 1866 m. Anne May May m 1897 she b. Sept m 1866. No other record - would be interested in his descendants or in him if still alive!

I have met up with "Rogers" in my "review" of many books in the library but sorry did not make notes - You should not let so many months pass with your "pen pals" after all we seem to be the stuff from which strong friendships are made. I am very much attached to Dr H.C.B. & we have never met!

The Simmons line stopped me & I quit. The too difficult ones can wait for someone in their own name to worry.

Did you ever copy the house data from "County of Hastings & P.E.I.?"

My dear Mr. [Name]  
I have just received your letter of the 10th inst. and am  
glad to hear that you are well. I am also well and  
hope this finds you the same. I have been thinking  
much of late about the future of our country and  
the state of our Union. It seems to me that we are  
passing through a critical period in our history and  
that the result will determine whether we are to  
remain a united people or become a collection of  
warring states. I believe that the only way to  
preserve our Union is by maintaining the principles  
of liberty and justice for all. I am sure that you  
will agree with me in this. I am, dear sir,  
very respectfully,  
Your obedient servant,

I note that in my Hawley notes I gave that Wm A. Hawley

Dear Ray: Did Marie E. Lowry  
reach you? I noticed a request  
from a Lowry of Bath at the  
Archives which looks like her.

Just a line to identify stations -  
Dr. B. has closed for the summer so  
there is not too much doing.

I am still unemployed, -  
was in Gen Motors Oct 4/30/42  
so made up in Toronto last  
week to see one firm.

During the interval saw the  
Legislative Library, the Archives etc.  
In the Archives they have indexed  
the Vol 1 O.H.S. which is something.

However the important thing  
was in the Ryerson Press 299 Queen  
Toronto. I went up to 3rd floor,  
Dr Pierce's Dept and asked for a  
Mr Francis, explained I wanted to  
see their old Sp. records, for  
consultation, no commercial  
purpose involved, etc.

She took me into a vault & let  
me look at big ledgers about 18" x 17" x 6"  
all I could carry in lbs!

Anyway there are Methodist  
Sp records, births, places, parents,  
ministers by Townships for  
Ontario roughly for the period  
1842 to 1891 more or less as  
added Ages were earlier - Some  
should 1839.

Of course I did not have  
time to milk the cow but I did  
make a few entries as specimens  
to wit Richmond Twp.

I note "Alonzo" in the Flindall - Hawley line & it's  
repetition of the whistby "Alonzo", this may be a lead  
in fitting this into the picture - it follows thus:

Dear Sir,

would your vital statistics show the following:

1. The death date of Sanford Webb Hawley, who died in Edmonton, in 1938, also place of burial?
2. The birth and death dates of his wife: Jennie Rogers (Smith) Hawley?
3. Should the parentage of Jennie Rogers (Smith) be given, may I have that also?

The preceding requests are for Genealogical purposes.

Dear Ray:

Your very welcome letter arrived during my visit home for Xmas, and I am attempting a brief reply.

Dr. B. & self had a nice visit & sojourn in the Archives in Att. & are now old friends indeed. We did the Census for 1850 - 1860 - 1870 for P.E. Co., Hartung, L.A., & the same - since I have been over them again. I made numerous notes, mostly on Hawley as far as your interest extends. If you have a few lines of helpless ends that I might solve in the Census Records, list them with Imp. Co. & date and I'll have them in mind for a further search as time permits in the future.

The Andrews ap in Schooner Days is a guess one.  
 The man he thinks he is describing of course is David  
 Andrews (1823-1883) who m Elizabeth Boyd (1823-1909) whose  
 issue was: Mary Jane (1845-1931) m Andrew Labrie Vallau (1833-1888)  
 Esther Adeline (1849-1925) m Hugo S. Sherwood  
 Archibald John (1847-1876) d. unm.

David Andrews according to 1871 Census was b. USA - his  
 sisters:

Jane b. USA m. Nelson Clarke - same David, Ellen

Mary (1820-1910) b. USA m. Augustus Hooper m.p. (1815-1881)

My grandmother Mary Jane Vallau was named after  
 her two Aunts! David had a half aunt Betty Fairfield (1813-1899)  
 nee Lodie who had sisters Catharine m. Philip Hartman  
 and (possibly) Mrs Abraham Harris (—-1855) John Clark diary.

David Andrews my great grandfather was a lumberman  
 did everything - foreman for Augustus Hooper in mill at  
 Camden East, Ont, had Inn, then bought sold lumber, owned  
 Schooners, steamer Abernethy, the large Dave Andrews etc. Had  
 great deal of money - did not have much when he died, had  
 connections in Oswego NY & Cape Vincent NY - might have  
 been relations. Was a short stocky man, knew women long  
 account of my great grandmother being super religious. He  
 was never known to be anything like Capt Bawert of  
 Napier told Snider in Schooner Days. The Sherwood family  
 are still able to remember him - I have pictures of him.

I think it is mistaken identity - note:

Co Hastings, Dup. Thruout Census 1860-1.

David Andrews, Laborer, b. Can, Anglican, age 37 yrs.

Elizabeth - wife.

issue: Maria 10: Mary 8: John 6: George 4: Hannah 1.

Note! In Andrews Island, Goddington Census 1851  
David Andrews Ship Carpenter S. Scotland. Physb. age 29  
Callamine wife S. U.S. 29  
issue Donald age 3 Margaret age 1.

I wonder if the builder of the Schooner David Andrews might more likely be David Andrews the Carpenter? Perhaps the whole thing are pushed up together. The ancestor of my David Andrews has so far eluded me - apparently the Widow Andrews came to Ernestown & stayed with one Joseph Loebe either a Brother or Father & she married again to a Dulmage a widower - then lost connection with our kin. On the other hand it may have been David's grandmother, Loebe who married several times. I know not.

What do you make of my account in relation to your Father's connection with "A" David Andrews?

The Census has been a great field of research - One is never done - I have it note books & can't make head or tail of some notes of fast scribbling!

Expected to check the Clinton Papers before I left this town for London but did not have time to see them. Much of the NY Hist Vol. are there & it is probably the case of Geneva libraries if worked from that angle.

Merry Xmas & Happy New Year to you & yours  
Cordially

Dear Ray:  
all my notes to date on  
Hawley - Re Brighton 1851 then  
apparently was Brighton Imp  
in that time.

Wrote this up again - but  
realizing that I sent it before -

May get time to go over  
North land again - Red Frontiers  
1871 last night.

Do not know what next - what  
County is Campbellford in?

Dear Ray:

Sunday PM

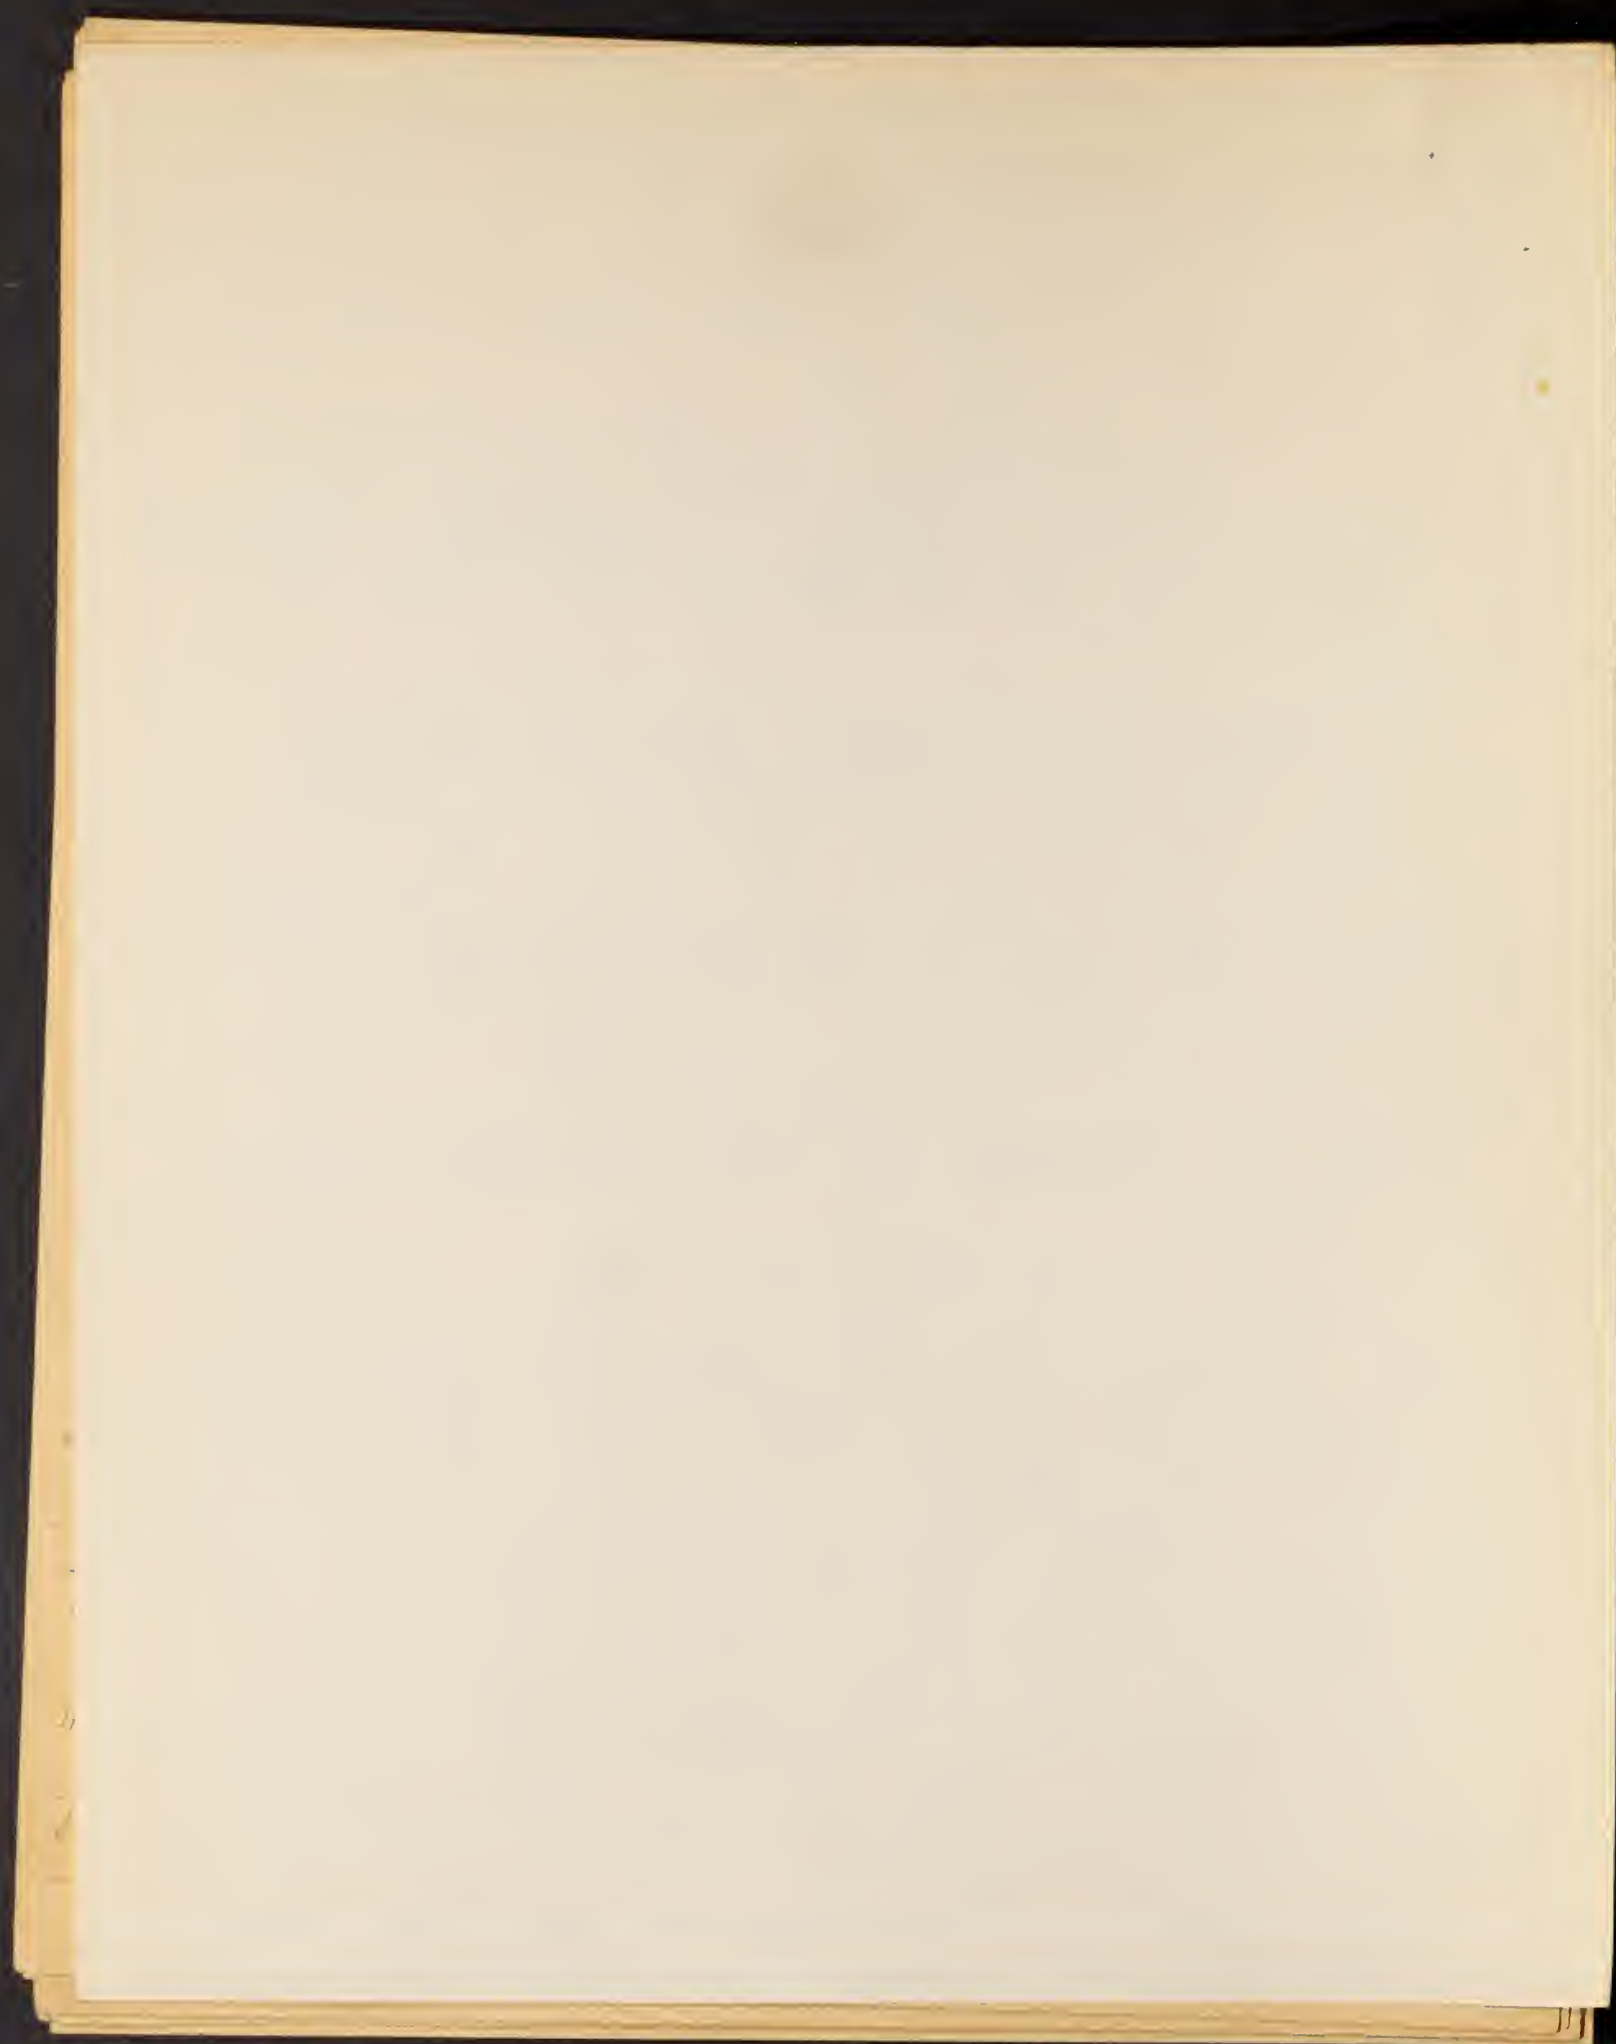

The enclosed rep  to more work than it would indicate. This about Clear's year "6" from 185- & will take a shot at 1860-1 next

I may do P&C 1860-1 over again for you if you want a survey of "these" as it is full of them. Sophronius Imp is missing from 1851-2 & for that 1860-1 is better choice.

It is strange what "lingers" there are in the Census - m&C. for 1871 I found Elizabeth Vallon ne Campbell & Sister of Mary Ridout wife of Rev Thomas Ridout Jr., Elizabeth was aged 80 then - & Cal Hildebrand Vallon <sup>177-837</sup> father Alexander Campbell (d 1811) are in Census by Grand in Puton but she has no inscrip there.

I've for old newspapers for "abts" re P&C but none on file in archive.

Thanks for the loan of Adolph Jenson Records - shall ret. it promptly. I could amplify the following of Jw Casey notes pg 55 if you ever need the data: Allen, Allison, Barkers (they come from Casey just just Aunt but he did not mention this!) Bedell (a Casey line), Benson (has much of the of Mary Vallon in his bro. John) Bogart, has notes on these, Campbells (plenty), Caniff, Casey, Davis (a Campbell line), Rosland (Genea on the pt) Kulnagel (book on this, Germans, Judge in Coburn writing about them), Hagelman, Chadwick has this in his Rutanacan families) Staights (see his book) Stuyves (Campbell line), Maybue (Campbell line) Moore (Roshin + Dell line + Simmons - Index of the early wrote up - have more on this, Petersons (still sorting them out).

V. Roblin, (interests: have many  notes) Shickney & Lutter (have notes)  
Trumpaw (Campbell line, have notes) Van Alystine (have notes) Van Queen  
(have notes on Whitty Rev'd line) Van Skyles (Genea in P. Has this under control)  
Quakers (Prof. Hasland, Western Uni has this in fair shape)

Page 70. Bangor = Bangord,

✓ Remans - have Halleau notes & origins from J & K  
see "Whitby" & "London" Remans.

Campbell, John Law (Law) - his mother Mrs Low. M. Alex<sup>r</sup> Campbell  
& the Laws Sett'd in Canada, Murray etc

Deemareet, Still searching for this Law, traced him to Whitby  
but not sure - Dr S. Deemareet Fotherby, is the "central" Genea  
for this line in L.A. - for "The Deemareet Family," New Brunswick & J.  
Hagomere - Chap in Osh. has this in good shape for other lines  
not incl'd in Chadwick's Basic "Autonomous Family."

Moore, Covered by notes from DeLor's diary, I got in London  
from Br. Miller, Genealogist there.

The Simmens (Litus) line in one of the One Sheet Society books  
is important - but is another family related into the  
Ernestown Simmens - mixed up with Bagarts, Meacham,  
Rehlow, etc. Chamberlains.

The Clinton Papers bore me - anti British gets me down - the  
Lincoln <sup>Military</sup> Papers 1800 - 1814 gives lots of British data to offer  
Such Chap if you want to I quote! did not see much  
on Saratoga yet but I am looking! Abc.

If you have J.R. Robinsons 3<sup>rd</sup> Ed. of "Landmarks  
of 2<sup>nd</sup> & 3<sup>rd</sup> pg 381 gives 1800 - 1895 "b. m. & sps" of St James  
Angl. Cath. for 7 is a terrific list - I found some lines in it.

(over)

I haven't got down to brass tacks on data here  
 as not able to "breuce" however could find much  
 if could talk to the Staff - My hours are at night  
 no day time contact + must figure out what I want to  
 see then ask for it to be left in Students Room. is  
 difficult because I get no help from their experience.

If you ever want a "binge" come to Ott & do the  
 Census - it will take care of most troubles - However  
 Spare me 1841-2. That's a headache even what this is.

If you know of any good references with  
 scraps in them I might get them out for inspection - however  
 big times at night are nuts for eyes + mine are much  
 poorer than when I came here!

I may take a whack at Durham for 1871 soon have  
 you any "Centrals" that I might keep in hand. Tell me  
 what county is "Mallbrook" in? I never see a map + I  
 want to check "Gillett" there + Larmer + Leech.

Did I ever say that Jack Austin of Brighton was  
 an old friend of mine? Is Mrs Austin still living - She  
 was a prector. Mrs Chapman who helped me on  
 Casey for Brighton was m. 151 to Perister of Brighton.

My wife has 151 Census once remained m. to a  
 Clark ~~151~~ in Brighton at whom she is very fond - Mrs  
 Clark was a Liddle of Grimsby - her mother a  
 151 Census of my wife Gibson of Newcastle.

Glad to hear from Mrs Robt Mc Becker -  
 last I heard of her husband he was at Ajax in Pickering -  
 I had him in Gen Malins in my time. But he left after  
 of went to Ajax. Hear Dr J L Bird's father has married  
 again. Mrs Dr Brown formerly of Colborne says she  
 knows you. Right?

Best Ever to you

Sincerely

Lark

Sun-

Dear Ray:

Suppose I am 'tween the Revue & the D.B. Sea -  
playing with Census records & being bored to tears alone in  
the 'dead city'!!

I started to amplify my records on Loc 185,  
and lots appear new which "appears" as my rather awkward  
Correspondence on Hawley - of course Census records are  
not the "best" but they are more comfortable than Cimetenes  
Especially the one west of Selby where lie the bones of my  
ancestors - I hav'nt explored the back part of Rapance  
or any of it except to go to the Vallan - Andrew - Boyd  
plots where my immediate grandfathers & their kin are buried.

However some things are worth attention - I ran across  
Dr Nathaniel Nutting & his family in Adelphi town - his  
daughter came up & m a Ralph Newbury & became the  
parent of Mrs R S McLaughlin - probably she will want  
this - her line runs thru Conrad Bengard - his son  
Conrad = Jane Dulmage & their daughter Susan m. Dr N. Nutting.

Jane Dulmage was dau of David b. 3/15 1746 m &  
Mary Jenning b Pa Jan 1 1747 - son Jacob b. 8/27 1775  
Albany m Sarah Huff dau of Solomon 1751-1828  
& Eva Swade. How the AOK got around! There are  
many of the "lost" in Pennie Albert Brg ground at Port Henry  
& in the Quaker Brg grounds in Pakenburg not to mention  
Union Cemetery in Ostawa.

I talked to Esther Hawley & got an address in NY  
of my adopted dau of, Oswald Ross, Johnson who m  
Esther Ann Hawley dau of James B b. Hallowell Feb 6  
May 28 1810. Mrs Edith Dean says she was an  
adopted dau Townsend & her parents died in England  
putting her in the "recollection" - however her  
cooperation is good. She says the friends who visited  
'Grandpa' J.B. Hawley included Enoch Johnson  
Quaker who came to the Quaker Meeting in  
Pakenburg from Trenton NJ

Another widow was Piddget, also Malissa & Clara Colter, Census were Emma & Sarah Bodgley. another Cousin Mrs Eliza Haight adopted a dau who m. Wm Bull & moved to Tor - her son Kenneth changed it to Buell. She says Collette or Corlette Real Estate Dealers were friends of these Buells & could find them if their last address 1935 Mrs Emma Buell 3 Dundonald, Toronto fails!

Now you bring up Ed H Curlette as a connection in Rogers - Can you see more light here or more "fun".

The Census 1851 Adolphustown Shows:

Curlett Ed H. farmer b. P.E.C. Meth 44 wdr

Haight Amos M. b. Adolph<sup>n</sup> C.E. l. P.E.C. 22

°P in the family of Thos Carey, also there, &

Cummings Wm b. Marysburgh Meth 61.

This suggests you might get some "dope" on James B Hawley from your "Curlett" if the Spelling does not mean another "line". I must say "Samuel" might be nephew of Capt, eptha of one who came "over" later. I have not ever found where he should nestle! The Eliza Hawley might be Mrs Eliza Haight & put the whole thing out into the light - Rickson is a Haight name in their "Genea" - tho' it is not so "hot".

3. In any case shall wait your comment on  
Crockett before making an attempt to locate Mrs Emma  
Buell or her son unless you can do this? Esther said  
she had a let from you. She was a lovely little lady  
marks on the A + P Store on Summit St in Osh - She  
seems to be one of 13 b + sisters! Abouzo had ideas!

\* IP probably Carey Deussen or his forbear who  
kept grocery on Center St in Napam - tho he was  
bro of Mrs Chapman who was m<sup>r</sup> to Perister of  
Brighton Mt - She died right by me on Carey &  
Deussen some years ago.!

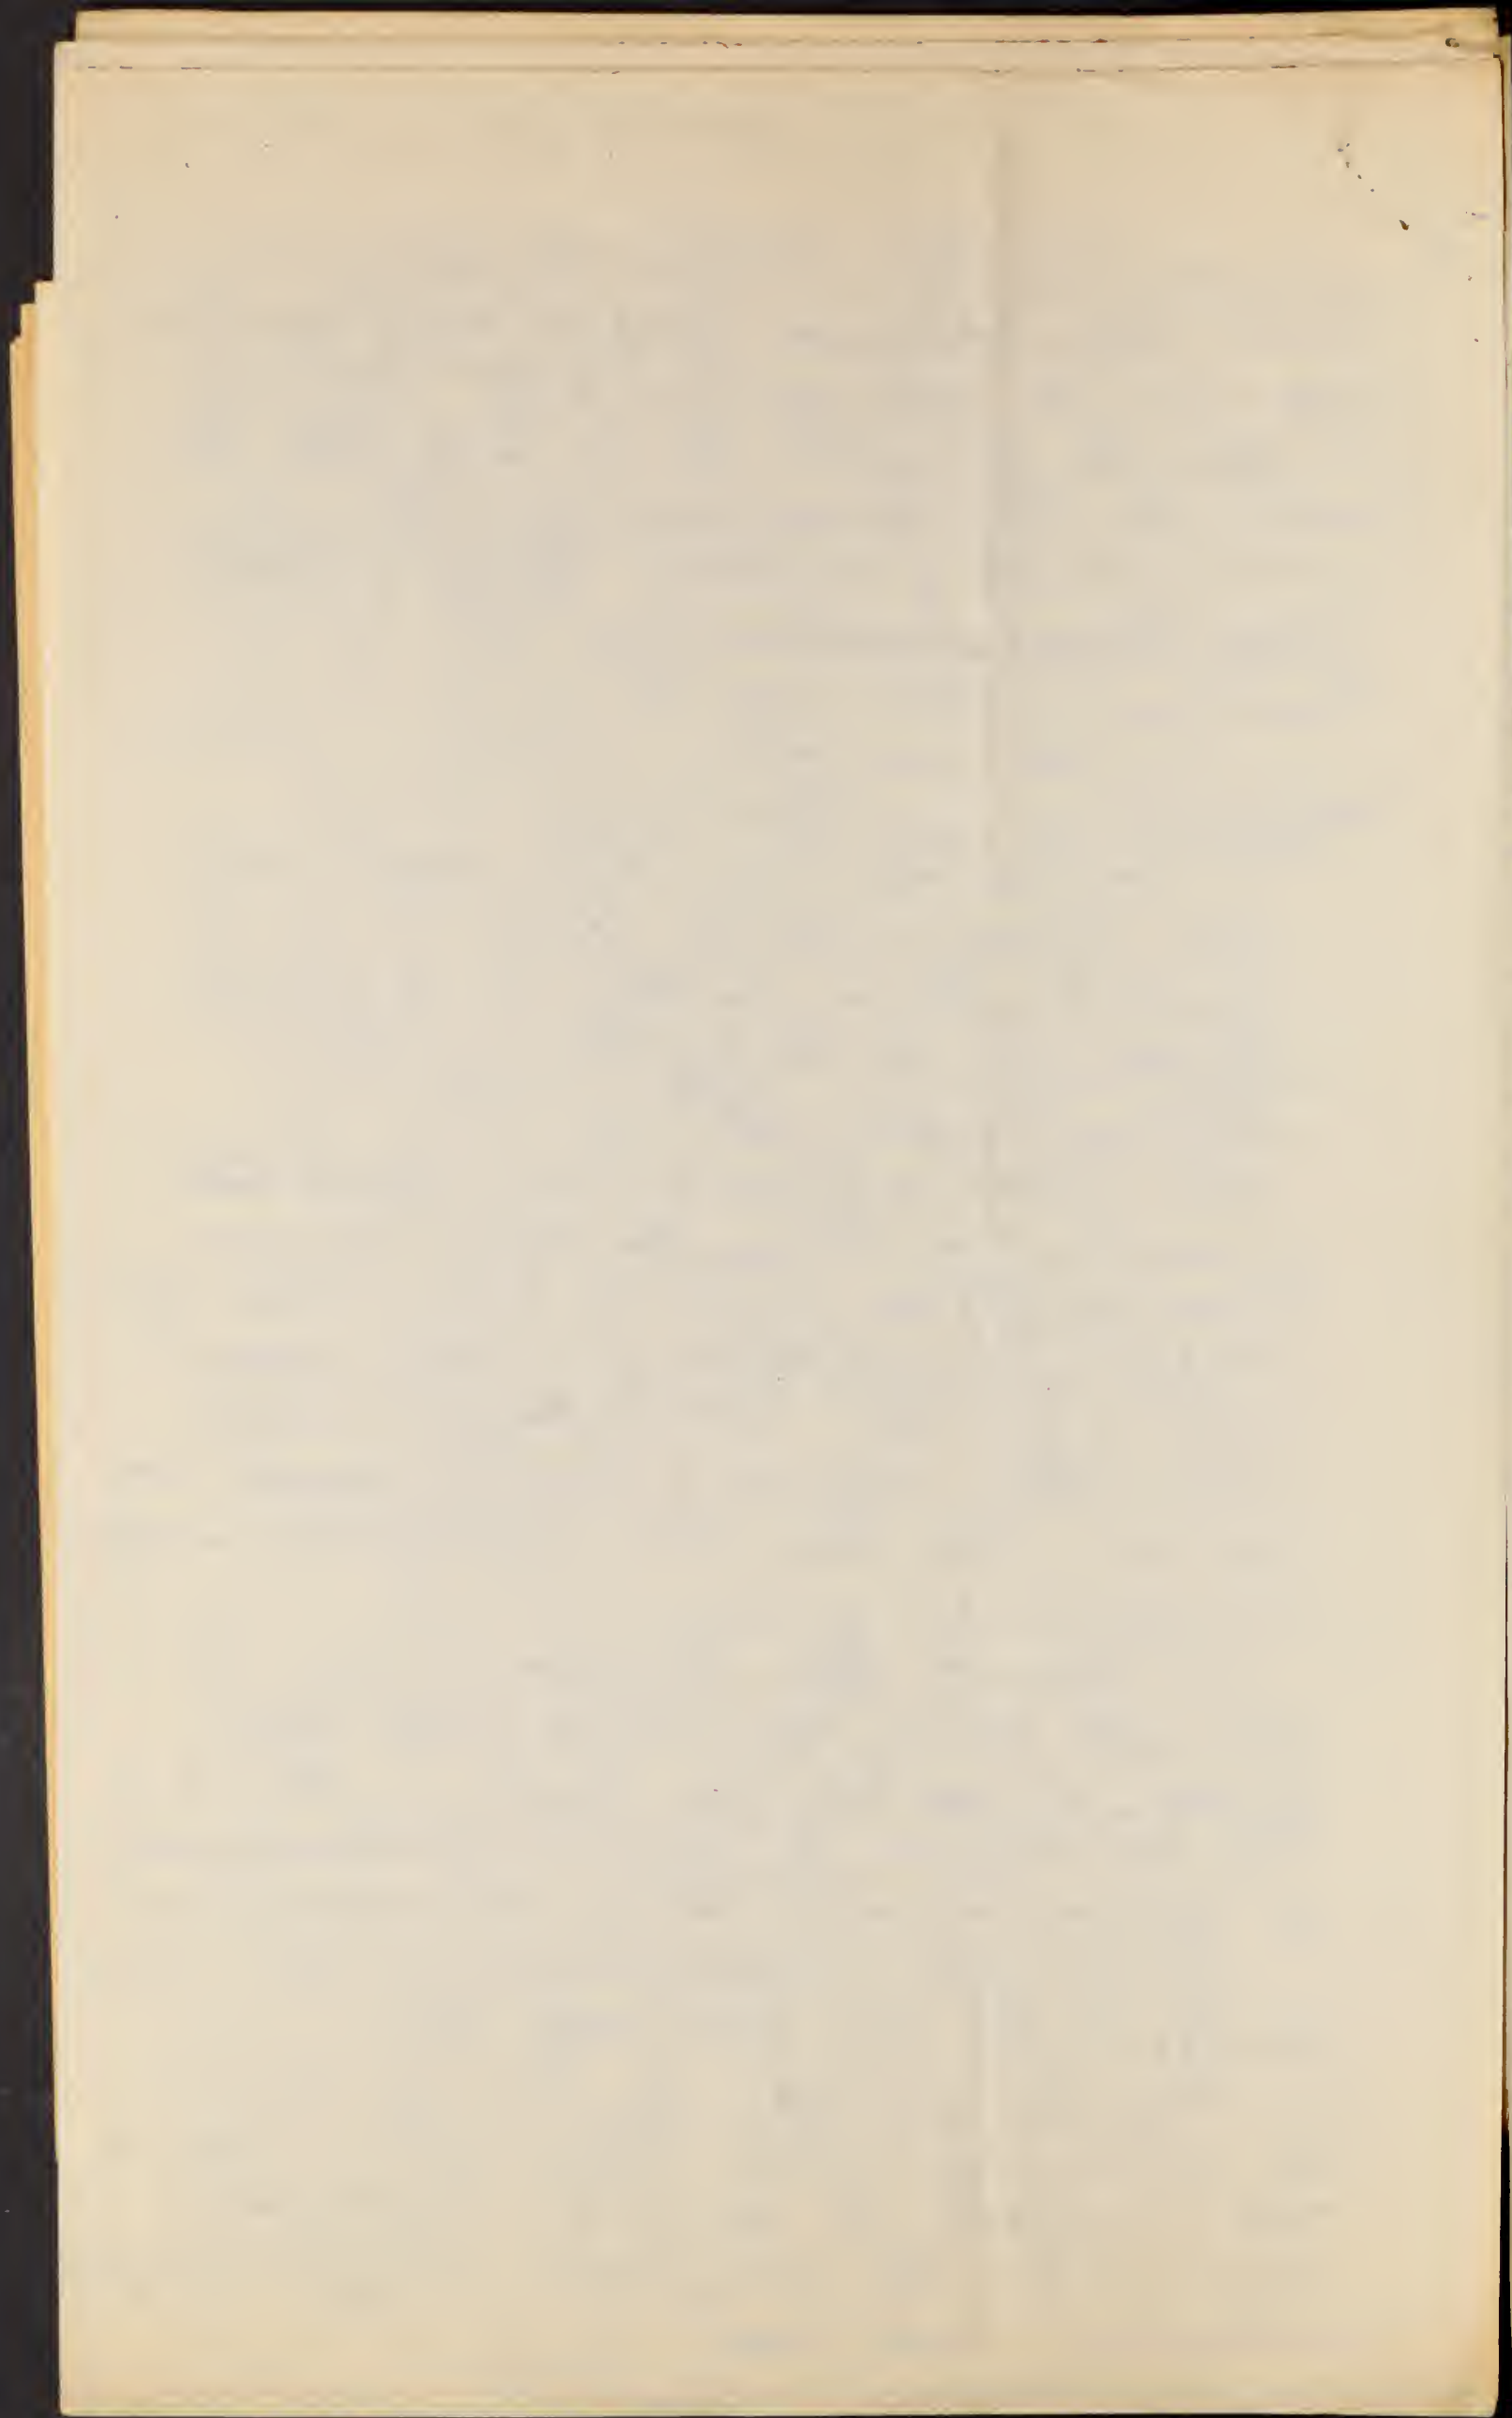

While I think of it in the Army "Stamps Book"  
is then pay book showing they served & were paid.  
Callins must be the proper rep. to the Surveyor who  
allotted land on occasion or recommended it.  
"Hatter" is a trade - Ruther of Adolph<sup>r</sup> in Carey  
braz. notes in Appendix to Bureau of Industries 1899  
was one. Their descendants made tomb stones in Potlape  
I imagine!

The library at Bflo - "Grosnor" I think has  
Copy of the Hawley Family Record & they might  
corresp - if you have news enough - a Miss H in  
Bfp has the book for sale at a considerable price  
So Gibbard said once - it has 3000 names in 1898!

What about Rachel Bradshaw - Cant Crouse  
identify? He is a "mad hatter" too!

May Hawley wrote a long time ago but I  
have not had any contact recently - when in Napam  
visit her - gather that you have or might go there.  
Demorest was there with Crouse - why not with you?  
Dr's have gas! Happy Dreams -

Pat

Dear Ray:

I must say I am hopelessly involved upon what I have sent you & what I should. It may be that I will have to send my notes sometime - Lord help you if I do!

However I am enclosing a short survey of Brighton Twp 1851. which is no doubt the village as well.

The major notes are on 1871 and while you were apparently willing to forego them here they are. I left out some that I treat on Petersen, Ames, Goodfellow, etc which I doubt you are following - They are Wallace's lines.

I would like to make some comments - based on a complete survey of Townships from Leeds 1851 to Frontenac 1851-1861-1871, date to York 1851 on all counties on Lake front & believe me I have some plenty of loose ends - but can't get them all. It's impossible to hunt for more than major lines all at the same time.

Who is Albert V. Hawley - My notes show an Albert as my wife's uncle of my greatuncle Albert Hawley (1840 - ) and wonder about the "V." The unmarried sister in Kapanen would provide me but you say she won't reply? If you send stamped & addressed envelope with an enquiry for his address it should tick. She was a friend of my mother's & replied to my letter once & then she never replied to another of the Hawley genealogy for his data.

Did you do anything with Wm J. 1855 S. of Capt John Hawley (1793-1880, and Prudence Wells (1798- ) She is mentioned in 2nd inst with some notes on 1855 probably just a date. & is forgotten. I think I met Albert with Stiles Hawley when I was a boy. (see new tree) and say to mother?

1. Your questions are legion & if & when I apply my  
note to all will do right by you Mike dear!  
I have copious notes on sapes if you get on to this one!  
Re 18, 1 Census

- 1) included Perry for 6. The name in your vicinity. May be  
of interest - same with Madden
- 2) Cornelius as I remember is one of Harris' pets, but I too  
much my fancy plus Ezra Hawley being with them.
- 3) I like with "Shelden" in the issue of something - may be the  
Penton Shelden Hawley - 15 Connections - I have not looked yet.
- 4) Surprised to find Gibbard in your District - this is usually  
Armed Rape or Bowmanville or Whisky - do not place him  
just now -
- 5) I added "May" for Ancestry - Believe it was took off, these  
records long ago but plan to write him & shall include any  
notes to him at the time. Put these in for you for reference -
- 6) Lacie or Lasee is a problem child with me - up being  
in the obscure part of my g-g father David Andrews - They  
probably are from the J. Loe of Wicklow. Not who one lived  
in Whisky but & do Ann Young, (Colborne) said - David himself  
looks good.
- 7) This is a Selby. But, name - also a Bradshaw line - one of  
Cecilia's pets. While in this - Can you figure why so many  
Selby but people are represented in Bugston<sup>etc</sup> & Vallan,  
Bulkeley, Petersen, Jerns, etc must have been understruts  
or investments.
- 8) Cecelia - this is just atmosphere.
- 9) Peter Maybee - Elenor or Lanor Campbell - Can you give  
me any lead to descendants? (Lanor 3 Bushbaldt, Alexander 1)
- 10) Christopher Vallan - Jane Ann Bowles - I did not realize  
that she was left with a batch of children - I have some Bowles  
Connection with Burlands Geo E. got into the Br. Amen. Bank note to  
here & was Pres. when he died. William was Selby Mrs. Charles  
Beet of that in Dor. when he died. He was an old Swarth of Jack  
Austins' mother - perhaps she can tell you for me what the  
Connection is - there is a Mrs. Annie here of the same line. Chris  
was my grandfather's brother -
- 11) Proctor is for your Chat with Mrs. Austin -
- 12) Jerns has been a question mark with me - a cross old man  
who lived & died in Selby on no issue. Aunt Cath my great  
Aunt (Cath Charlotte Vallan) was a dear - Can you give anything  
on the name? Is there any Cemetery record of Christopher Vallan  
his h. in law locally? Are these Bowles any Conn of your Sir  
McKenzie Bowles?
- 13) Does "Ranish" against Adelaide Sanford insinuate she is a  
Pewee?
- 14) Casey - I have much on these if you ever need anything.
- 15) I am interested in a Wm Peterian (1820-1880) in 1846 Charlotte Christian  
Vallan (1824 - ) one son married lived in Colborne on 1854-1890

15. (cont) Petersen - Vallean their land:

Horatio - Mary Ann Norton

Keep my eye open - Sir!

- (16) Vandusen is always in the pit -
- (17) McTaggart - this is a Cousin item
- (18) DeMuel - mixed up with Bulkeley & Vallean
- (19) Josiah - Proctor Surveyor - the last Soekyag Surveyor  
has biographies - he could be in one - if needed.
- (20) Bulkeley = Jane Vallean - same m. Webb &  
gives me the loan with Mrs Webb next to  
But Beckers home.
- (21) Note Emory Perry is dan "Silence" - Hot dog.
- (22) Thudall is added as helpful -
- (23) P.O. Roblin may fill a gap - Peter down &  
Suppose - there are plenty
- (24) Do you know anything about the John Benson?  
An early one man. Mary Vallean & lived in Peter  
might be same for all I know!
- (25) Farewell is an Osh name - I wonder!
- (26) He Burleigh went better with Bulkeley!
- (27) Ambrosia - oh boy!
- (28) Hawley - Could this be another "wave" of  
USA immigration?
- (29) Holcomb is into Lafae & Hawley & Huyer -
- (30) Bagart for town or Cornwall?  
& note

Dear Ray:

29/9/44  
Rept. Oct 22/44

Excuse my seeming silence - have been  
able to get at Geneva for a time - had a cold & went  
home for few days -

Introduced a Howard to the Archives, he belongs to  
democrat group desc of Erasmus Howard, his pa <sup>E.S.</sup> was Rev  
at Bury, but one at Enniskillen where the Osh, McLaughlin  
clan started up. (How!)

Hope you & Dr S. Demorest are now pals, he can do his  
bit to keep you busy while I rest. My trouble is that  
my notes & records are of a necessity at Osh, hence what  
I make use are so wide in scope since I may never  
want to review them I am sure or might lose the opportunity. Frankly  
have never ceased to question my status quo in the Geneva since  
your question in one of your letters is - what in H - are you  
trying to do? I still wonder & temporarily blocked step  
I figured or figure on it! No news heard from Dr HCB  
here - perhaps he had heard of me the 15<sup>th</sup> visit - I did think  
I had his answer - Have lost the cornered in last paragr  
Linham back of Bowmanville but he never replied so - Shrug, Shrug!

Just to show I still think of you enclosed are two clippings -  
one in the East Hartford Sun sends me the Hartford Times & I  
can't remember whether you take or not they will go into  
your files anyway duplicates are always valuable.

Appreciate your Cemetery notes on Bulkeley, Webb, & Miller very  
much, will complete Vallon Geneva with this when I settle  
down or home for more than a brief visit. Best ever & a long life  
Dave

N.S. The margin dates on  
my Census records were only  
the subtraction on my part of  
their age from the Census date - only  
date ever appearing in body of Census

P.S. Added to my mother's my wife  
acquired Bells Palsy on right side of  
face - & it has led to run 2 wks before  
it appeared normal - then my b.m. saw  
G.F. Cannon La Blod of Tor. Deputy Edm.  
acat to Dr. Rogers & head of Dr. Draper's slow  
up with a least attack - fortunately it is not  
thrombosis - just over work - then on  
25<sup>th</sup>/9 I started to Queens (!) in the person of  
my son David Boyd & have been just as  
excited as if I was in living life then! Happy! Saw  
Nitty! Saw

Dear Ray:

I appreciated your fine letter  
Christmas time and have only delayed  
in writing because our Cause Célèbre is in  
temporary eclipse.

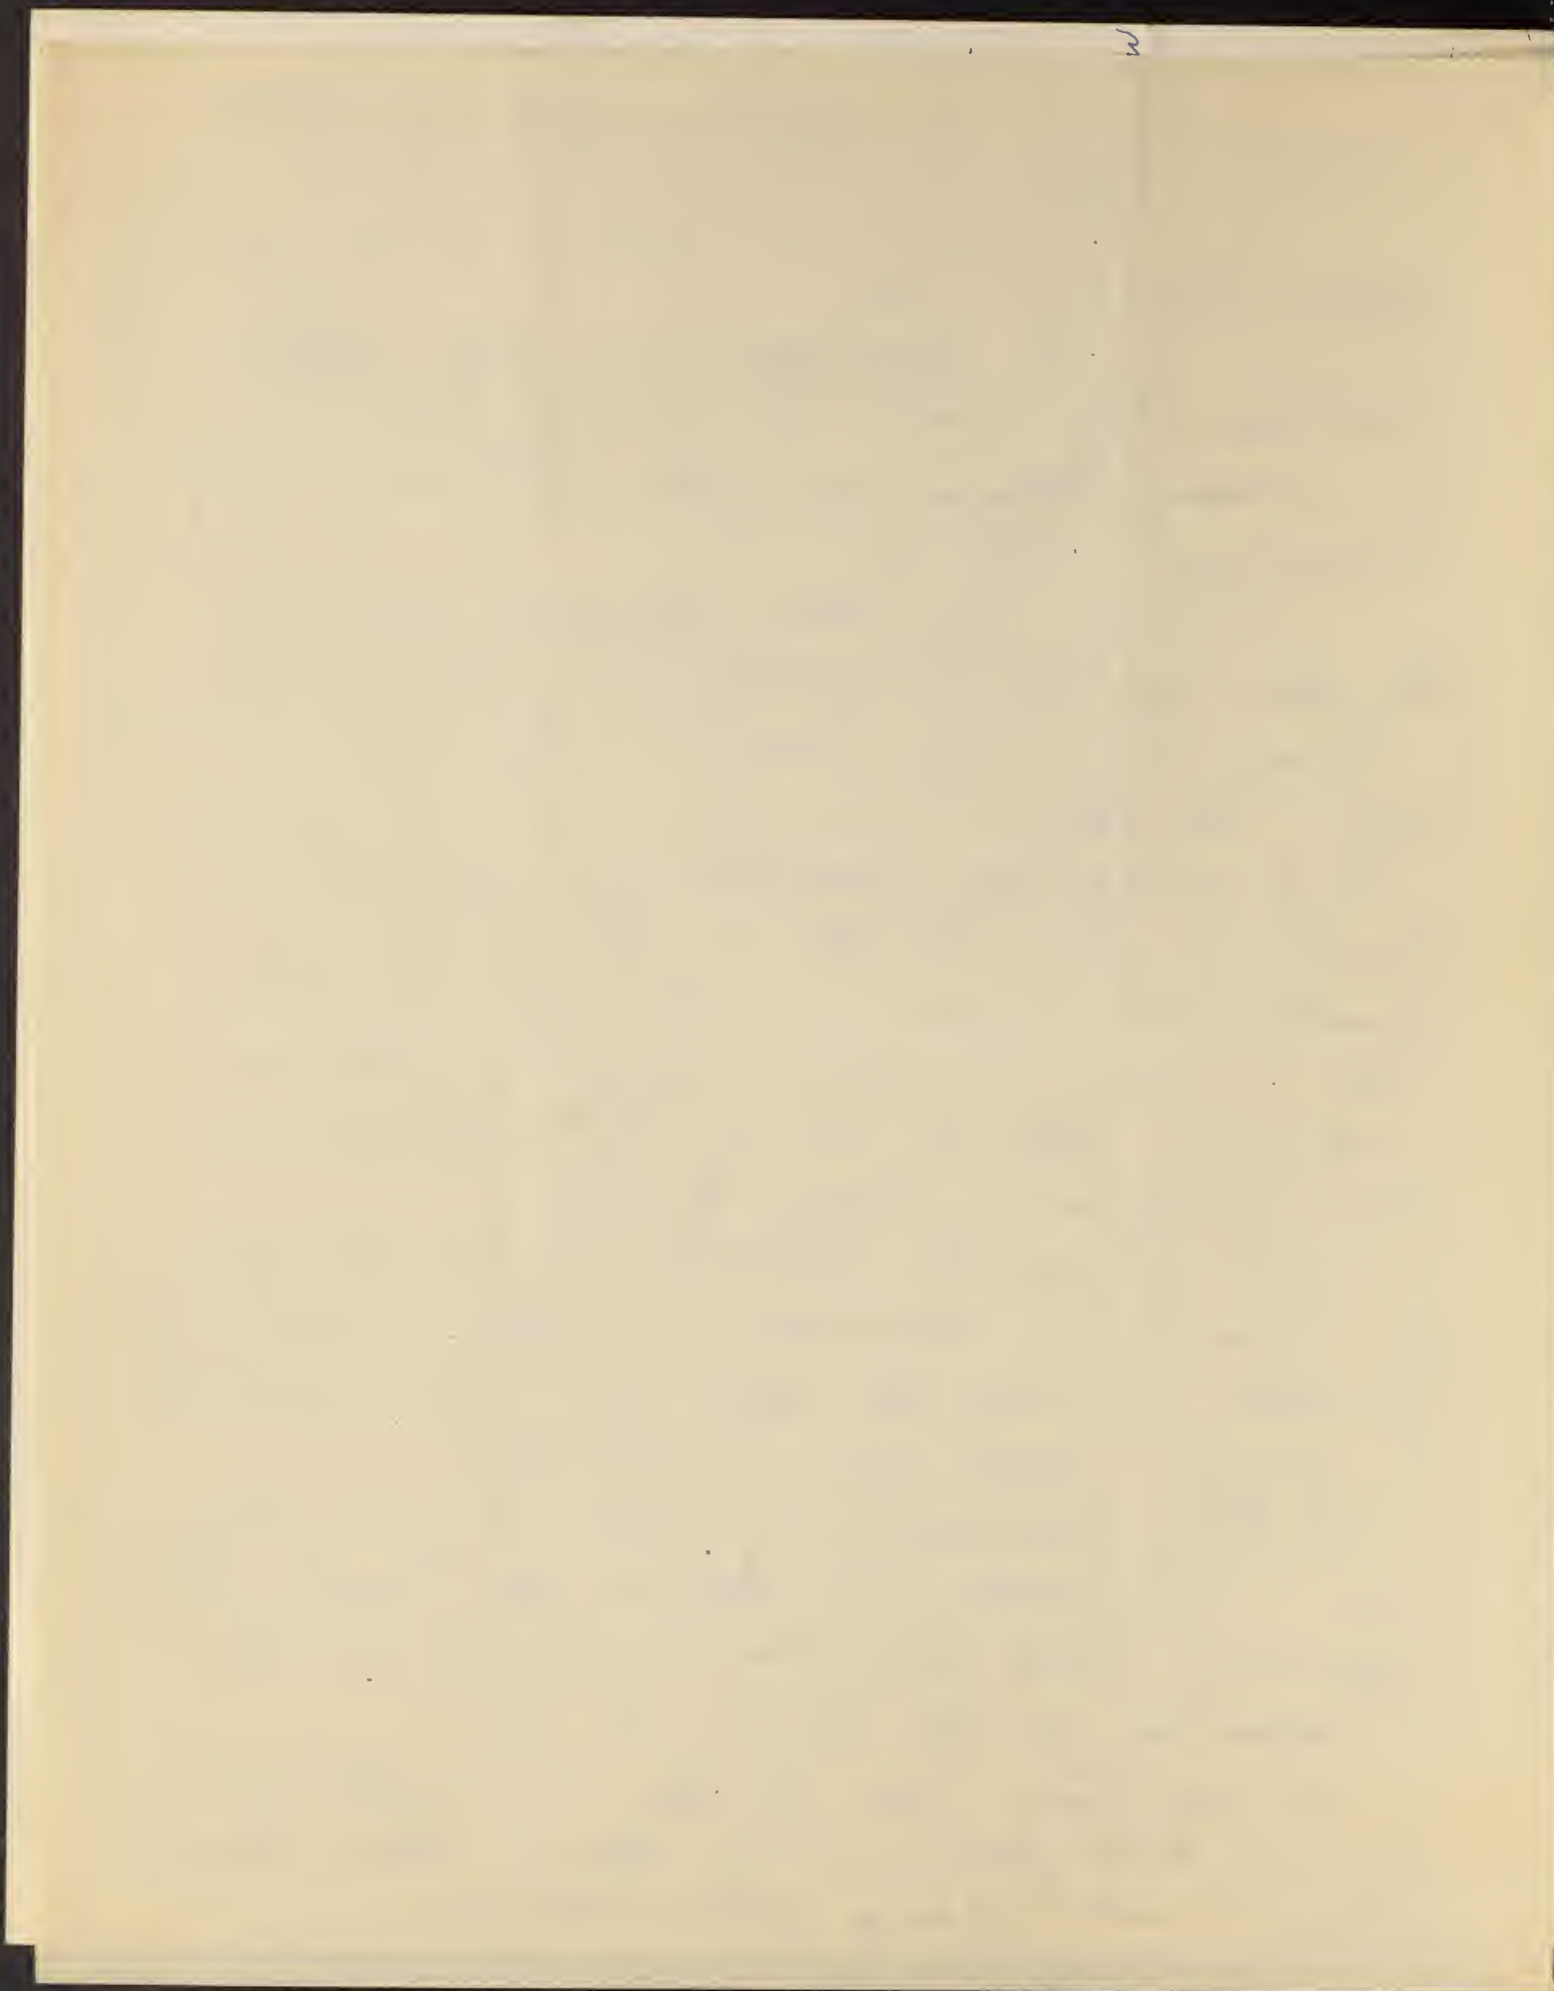

Cause has been applying fuel to  
the fires but so far outside of a promise of  
a helping hand where needed I have not  
broken into flame!

Things personally about the same with me -  
family in good health, the lad at Queens  
flunked Latin - first time Arts but did A in  
Math B English C History C French - Latin was  
a bugbear with me in my day - Exams never  
did right by me or did I by them.

As I examine the future I can see no signs  
by which I can read the times - Fey. I might be  
for others but not for self - an ancient failing  
of prophet Dactyl and South Saver.

I often wonder if our Doc B. is in good  
twist - I remember he thought Mrs Liveray had  
signs of Senile Dementia & perhaps he saw  
the beginning of the same in me!

I was at home for Sunday and spent it  
drawing extra pages in my Young Sons Stamp  
Album and keeping place stamps.

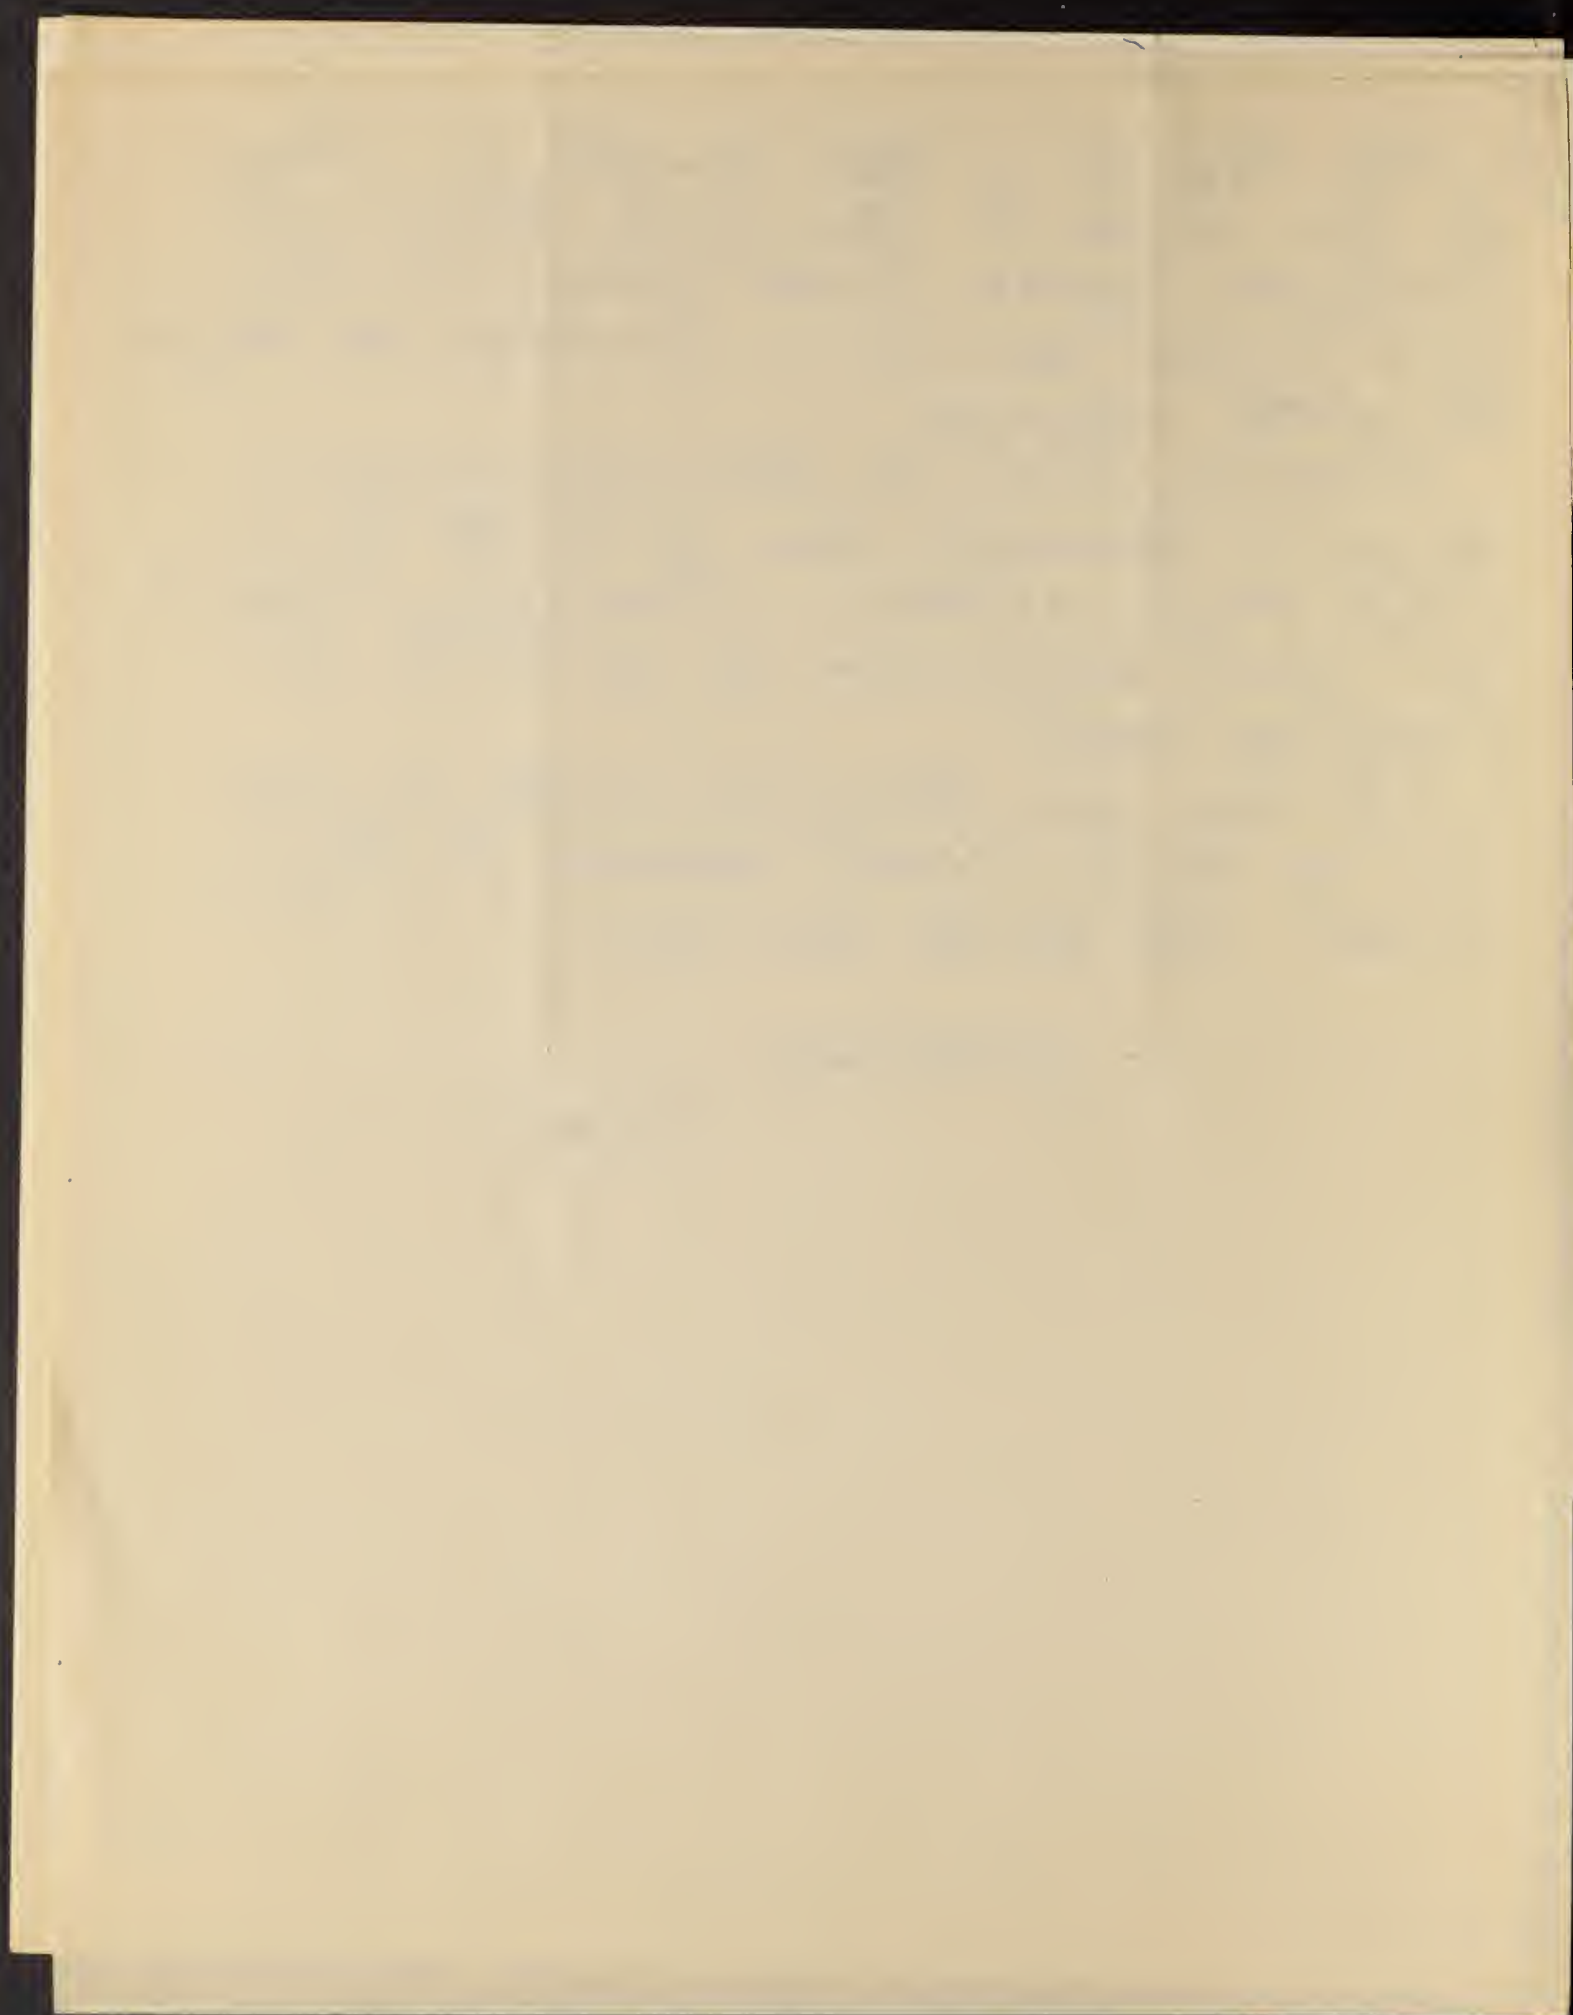

This reminds me that donations of Stamps  
for him would be thankfully received and  
gratefully applied. I still remember some  
of the lessons you see! The older the Stamps  
the better - says you.

Probably I would get a kick out of a  
binge in genealogy but until the crying  
need arises no dice. Probably it would  
be a good business for me if I had the  
right connections.

I hope and trust your mother is well  
and in the best health possible this trying  
winter - For you the best ever

fraternally

David.

## REPORT TO THE SHAREHOLDERS

On behalf of your directors I submit this report on the present position of the company.

Our principal asset is 451,000 shares of Lake Dufault Mines Limited. We received an annual dividend of two cents per share on this holding in the years 1942 and 1943.

Lake Dufault owns 220,000 shares of Amulet Dufault Mines Limited, a copper zinc producing company in the Noranda area. Lake Dufault will receive dividends on these shares during 1943 equivalent to about  $8\frac{1}{2}$  cents per share of Lake Dufault. Certain of these funds are being used in exploring the large acreage owned by Lake Dufault, but it is reasonable to expect that your company will receive further dividends from time to time.

Diamond drilling on the Lake Dufault property has been encouraging and, while no large body of ore has been located as yet, several short intersections have shown commercial grade copper zinc ore.

Your company is following these developments closely and will keep you advised from time to time. In this connection, we would point out that very few shareholders have their shares registered in their own names, with the result that the company's reports are not received by them. It is urged that such shareholders send their certificates to one of the registrars and transfer agents of the company for transfer to their own names. The registrars and transfer agents are Chartered Trust and Executor Company in Montreal and Montreal Trust Company in Toronto.

Your company has one claim adjoining Waite Amulet Mines in good standing, owns \$18,000.00 in Dominion of Canada bonds, and has no liabilities. The officers and directors have continued to act without remuneration. In the five years from January, 1937, to December, 1942, the company's expenditures for legal fees and disbursements and for administrative expenses have been only \$1,273.33.

Respectfully submitted this 15th day of November, 1943.

President.

I believe there were records kept prior to the existence  
of this Committee. You are aware, no doubt that the  
'Minutes of the Committee etc.' begins on April 1778.  
I wish records prior to that for the Albany area.  
There are two series which cover this earlier period:

1. Journal of Provincial Congress.
2. Minutes of Provincial Congress.

Have you these?

Dear Ray: I was very pleased to have your letter and to know you remembered the old pen-  
pal of so many enthusiastic Genealogical Outsiders.

Yes we had a fire - Feb 9<sup>th</sup>. Burnt part  
of roof, attic & most of contents & much  
ceilings & walls & floors & some furniture - a  
total claim of \$4000 net with Ins. Co.

All is cleaned up & liveable of course now -  
in fact a new content - did not finish attic  
except floor - & some outside work remains at  
mercy of Contractors yet.

No loss along experience lines & did  
lose a great deal of family books of personal  
value but not of Genealogical nature. One  
Augustus Harper Bible burnt (my young son's)  
informed me - down to a lamentation! It had  
the books in it which are not ordinarily included  
of weighed B# & some record of my gg aunt  
Mary (Andrew) Harper & descendants - My notes  
happily were in the chest <sup>in my room</sup> - and my personal  
things like De Cameron's! Buttons, Buttons,  
Ballas, Zora, & medieval door & stamps were  
unharmed!

I left Sept 1st for N.Y. in Att fine 20<sup>th</sup> &  
and transferred to Martins leaving 21<sup>st</sup> 5-40<sup>th</sup> St  
20<sup>th</sup> - and started 2 July - going home well, and  
So mail still goes to Mrs. Sumner 5<sup>th</sup> N. Ottawa.  
Would not call on you now but  
am made essential to keep moving and

to avoid road hazards in the dark, we  
loan Bayd to Kingston to get some notes for  
Supra on Sat & Dr in his 15 year Art - he  
unfortunately missed these by 4 & 6 marks  
respectively!! If he passes, and he's on.  
He still has his Swing orchestra - 13 per  
of 10 in Union, he hopes to put himself thru  
Uni with it - robes of Course! He makes about  
\$23.00 per mo with it & other work. But dear  
knows if it will stay as it varies with the  
Crews of the Ing's Union. This such made \$2000  
in 2 1/2 years for themselves but Bayd doesn't  
know where his snow went - he now takes leaders  
pay which is appraisal of this makes it better like  
1500 per mo etc

Dear me, 1941 is at Camp at Concord on  
Margaret 17, passed her 8, Marie this year.

My health has been poor - blood pressure too  
high & much but I seem to be losing weight  
Since I ret'd to the bosom of my family

I am glad you are well & your mother  
continue to be with us - a glorious privilege  
that she is spared to such a ripe age.  
I have not heard from any of your pals  
in the Maine nursing recently - hope Dr B is  
still in health & hard on his researches - more  
power to his pen!

I think the game is pretty hard on me  
ages & no doubt it is a mixed blessing. Your  
question "what are you trying to do?" Stopped  
my mad legs into the Archives. I have never  
imagined it & what to do it is shined personally  
no more not about being a chore for a pal  
if within reach of my cable too!  
I will be WFL for 1942 to 45 & wonder  
if I shall dig or skip it - prob. not!

3 Your effort to let us know full on  
fertile soil. Apparently, perhaps, I may feel  
he were to change & reclaim the old 'interest' &  
perhaps I want. I don't think then find  
approval would be given or me, analysis  
however the Omed Stamp of approval is pretty  
fracturing as compared with the old Cayman's  
new same - lots of Carpenter Bay (Franklin) are  
hidden by the loose Coast W. H. descent!

Needless to say, I know rather of what  
the new job is, my man for me, you say, but  
if kept & spared I'll learn!

If you get to the City look me up. He should  
is Kingdale 2247 & the name R.A. Duggie! (Yes German  
the room is directly across from the "Pentagon" of  
I don't want to bother you Drew about! The  
office phone is about 2000 - but in your  
to look. Behind the Royal York Hotel & in the house  
look up your needed.

Please write me & say the odd piece  
of change when I find some Special Commission  
they may for him - he may be in with new for all  
I think he'll wonder where in it is done!

Thanks again for your commade ship &  
many references in writing & appreciate it  
deeply - with best regards,  
Sincerely,  
D. F.

Dear Ray:

At cross word puzzles again!

I have been examining my notes on Census Records and wonder if we have all of John Hawley's children listed?

Dad

° Her brother Peter was my mother's father - this might  
 explain my interest in the line - there seems to be no  
 other good reason - my letter notes gave more data on this  
 from the Roblin newspaper.

Aug. 14/94 ?

Dear Ray:

Apparently you wanted to 'know' me under you since made a 'brave' try. You did not say much about Marie - did she help on your data?

I did not keep records of what I have sent you & so that explains why I have included such gigantic masses of now applicable data.

Your enquiry as to my purpose in covering so much ground would take much writing to answer correctly. Suffice it to say it began with "Marched into Vallan" the accounts for my notes on Laguer, Roblin, Hawley, Lavy, Aermore, & numerous others. Much data was accumulated - while I have had the chance to go it here against the hoped for time to digest it - sufficient to the day is the real thing. I felt the need of dates when in Old & asked for so much that the Archives sent so I did it myself - leads to York 1850 - 1860 - 1870 & say if I could remember it all - you would not have to wait so long on missing lines! Don't think this was not tough & hard to read & harder to set right after night plugging notes & having to jabber & correct missing dates! There is still much to do but as I said I can't justify more time unless I decide to set up as an author on some particular lines - now I suppose I have enough of some families to be paid to keep them! Just a little pay being helpful!

Some data I have sent to you has gone by your eagle eye as it settles some of your questions which you still ask - however I can't quote specific cases -

Consider the facts in some of the following & realize it is authentic data -

It has just occurred to me after checked re Rogers Mark  
Residence at Cairns 1871-1880:

Rogers Mark 46 & Mrs. Maudy Mutt m

Maud 7 ✓ & Thomas 4

If you look in Margaux Bragg's  
well known sketch (about 1878 I think)  
it goes down his family of 12  
children - 12 - One 12 or 13 or 14  
later - & their wedding - 1 and 12  
or one which mentions Maud Mutt &  
12 and 12 dead now - 12

In my view it says

Dear Ray: This is an early Christmas Greeting but better late than never! I have had the usual Cold, so far, otherwise generally no unusual experience.

Work here seems to be under control but one never knows our Goat projects - Amalgamation with other Goat Depts is now under way. I started to copy my att. Census notes the other night but it will be a long job - what a lot I made!

My m-m-law has had a stroke & I expect Xmas will be cluttered up with problems rather than Celebrations.

Do you ever meet Dr. Clark - his wife is a 2<sup>nd</sup> cousin (little) of my wife - we have called on them at times en route. Was glad to hear Jack Anson & his mother were well.

I note the enclosed re Jews - better write if this is per line - I seem to remember Crouse, Lowry & Freeman all following.

Best regards and  
fraternally yours

Dave Valleau

Dear Ray: I thought of answering your long  
- letter of some little time ago - but Grace  
said you complained that I had "retired" from  
the field! I certainly appreciate your kindness  
in remembering me and I hope to resume more  
active efforts some day.

The job I am on is at the moment largely  
statistical - it takes all my concentration with  
the consequent and not doing any work on  
lines - at 52 years to find a new project -  
and you won't do a job - sad!

Grace has a big nose & a big nose - I  
wonder if it will get it going. He made more  
fun for me in the - & during stuff into an  
attractive form about the time of publication: However  
I am glad to help any way I might be able.  
Apparently some of the "lads" were quite frank &  
I think he appreciated the spirit in which it was  
given. I still get the law and paper - do  
you look any interest in it?

I had not heard how he was getting on.  
Suppose he is now in the big as the subject?  
David was up at Buller's game - lunch looked a  
bit - he sampled a Chap to name a horse  
and cut in front of him in the morning Brighton  
about Smiles' Garage - had not heard him  
it is working out. The cop said the car some  
(better) would David take a man!

2. He may or may not hear from the guy who  
lived in Banguiche - must have seen a  
friend.

Let me know if you are ordering stamps  
I'll send you 50¢ for your hand on  
your letter machine, and, etc. Say in to  
me when you have them! Thanks!!

The 1st time with W. Arthur Herring is an  
even from paper back it is also a  
fairly good sale.

Very glad to hear from you &  
thank you for the news of appreciation  
from wife.

Respectfully, Dave Phillips

Dear Friend:-

Please excuse delay in answer to your welcome note of Jan. 1st. as I am very much behind in my correspondence. I hope to catch up this month. My deepest sympathy is extended to you in the loss of your dear mother. I do not know just how I missed seeing news-items about her reaching her 100th year and her death soon following. We are great newspaper fans here and receive three papers daily but somehow I must have overlooked reference to Mrs. Freeman. I had intended sending congrats when she reached her century mark, remembering her kindness in giving me tea and cake during my visit to your home last summer. When my sister and her husband move out in the spring and we get things straightened around I want you to come up some weekend for a Genealogist's holiday (talking, books, cemeteries, landmarks, etc) I did enjoy the chat we had last September and still marvel at your knowledge of intimate details of history. Some Gen-fans do not bother with history but I insist that the two subjects are so closely allied that a knowledge of both is essential to know either one (if you get what I mean).

Had a card from Dr. Burleigh at Christmas but have not heard from Valleau in some months although I understand he is here in Oshawa often. I guess he is peeved over something, or else has gone "cold" again-I believe that he gets so enthusiastic on genealogy that he gets tired and reaction sets in and then he becomes quite uncommunicative. I must write Mrs. Lowry as we have been out of touch for over a year. Since you last heard from me I have made two interesting contacts; Mr. White in Toronto is a retired Engineer, distinguished Canadian, and is a collector of Genealogical pamphlets of Ontario families; Mr. Colbert of the town of Hagersville is a young lawyer with a yen for research. I find so many interesting personages with Genealogy as a hobby; and despite lack of encouragement I still think they could be all organized into a Genealogical Society of Ontario. There is so much work to be done along these lines in Ontario that we should be pooling our resources for effectual warfare on official indifference in collecting and housing vital records. It would be very nice if you could have a position which would allow you the time and the opportunity to get things organized as I know that you are just the man for the job. As a member of the local printers Union I have persuaded that body to elect an "Historic Research Committee" to collect old samples of printing, such as public notices, old newspapers, social invitations, old wood-cuts, etc., and have already acquired some interesting relics of the past with historical significance. P.S.-I was named Chairman of the Committee. By the way-have you consulted Canniff's "Settlement of Upper Canada"? I recently bought a copy and it is about the best thing on Ontario ever printed. Has references to Rogers family. Well, I seem to be at the end of the sheet so will say farewell for now-write often, As ever I remain, Sincerely yours,

Dear Ray: Nice to hear from you. I have not specially planned re Genealogical endeavours, I have one or two lines baited!

If the Hawley data I loaned you in the form of letters has been digested would follow up an idea I have of checking this lawyer in Osh - McBrien or whatever the name is. It seems quite a few Japanese families settled in Port Perry & I may be able with it as an excuse to figure out a Lazier line in Rock Jay. Onto.

I suppose it would be naïve to think you might take a ~~forbearance~~?! Surely you have lived single long enough - on the other hand if you are married you have never dwelt upon it.

The cold weather & heavy snow has no charm for me. - & Tor has lots.

I have been to ~~Arch~~. Tor Ref. Lib. but they have very little genea. Some day I may be able to check Ryersons Press again for the Sp. records tho' I don't know when.

My weight is down to 151<sup>#</sup> but feel ok - I used to tip 'm at 184<sup>#</sup>!

Best in the world to you  
Dave

Dear Sir:-

Although I have failed to write to you in reply to yours of Feb. 15th. 1942, I often think of you and wonder if you are still interested in Genealogy. I thank you for your offer to keep a look-out for McTAGGART and CROUSE data for me. Last summer I published a small booklet on my BRADSHAW line which found its way into the Brighton Library.

Enclosed you will find some records from the Canada Archives which I visited several weeks ago while on vacation in the Capitol. I hope that the information will be of value to you in your work.

In reading over your letter I note that Mary Williams married William Rogers, and that Mary was a dau. of John Williams, U.E.L. Perhaps he is an ancestor of mine inasmuch as my Gt. Gt. Grandfather, Joseph R. Morden-1795-1885, was a son of Richard Morden who married an Anne Williams, in Fredericksburgh Tp. December 28th. 1790. It is quite likely that Anne was a daughter of John Williams and a sister to Mary (Rogers) If you have anything on the Williams' family I would appreciate further records. I am also very anxious to have more data on the GRIEVE and FAIRBAIRN families of Richmond Tp., Lennox-Addington (both highland Scotch ancestors of mine.

Please write when you find time as I am interested in your genealogical activities. Although I have many correspondants on the subject I have only our friend Valteau to talk to (thus the new stationery) but we hope to start the ball rolling someday to organize a Genealogical Society here in Ontario. Does that appeal to you? If so, please let me know if we can count on your support.

Sincerely yours,

Dear Freeman:-

Yours of 11th instant recieved and I blush with shame to think that I have neglected to keep in contact with you as I should have done. By some strange co-incidence I was thinking of you that week-end and had a chance to go ~~down~~ <sup>down</sup> to Brighton on the Saturday afternoon (Sept. 9) with a friend of mine whose people live on a farm north of the town. He was going without anyone for company and was returning on Sunday afternoon. After much thought I decided against coming down as I was not sure whether you were still kicking and did not know if you had a phone through which I could contact you. Please send your phone No., if any, and let me know if it would be OK for me to drop in to see you with my books, etc., some week-end. Your letter was very interesting to me as it echoes many of my own personal opinions regarding our U.E.L. and Historical Societies. The thing that makes me tear my hair is to get an invitation to hear some English social lion speak on "India" or "China" at a U.E.L. party when our own beloved Province is steeped in "Loyalist" Romance and History which has never yet seen the light of day, spoken or published. We seem to be interested in everybody's folklore except our own-even our public and reference libraries are criminally apathetic to our own history and our own brave pioneers. I can get books on every country in the world at our local Library except Canada and Ontario. We taxpayers spend thousands of dollars yearly to fill Library shelves with pure, unadulterated junk of American and European origin. Please do not think I am a pessimistic crank-but I feel deeply about these things and I am taking the liberty of unloading upon your sympathetic ear. Perhaps people such as you & L. Valteau, Burleigh, Van Skiver, etc., should write letters to the editors of metropolitan newspapers airing these grievances and get some free publicity for our views. Watch the Globe & Mail-I will start the ball rolling-you follow up.

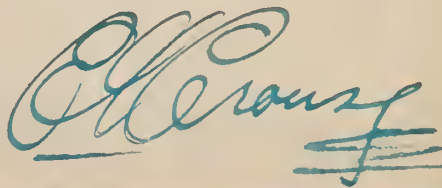

Enclosed you will find a few notes gathered at random which I hope will fit in somewhere. I am also sending a copy of my "Records" (#2) under separate cover.

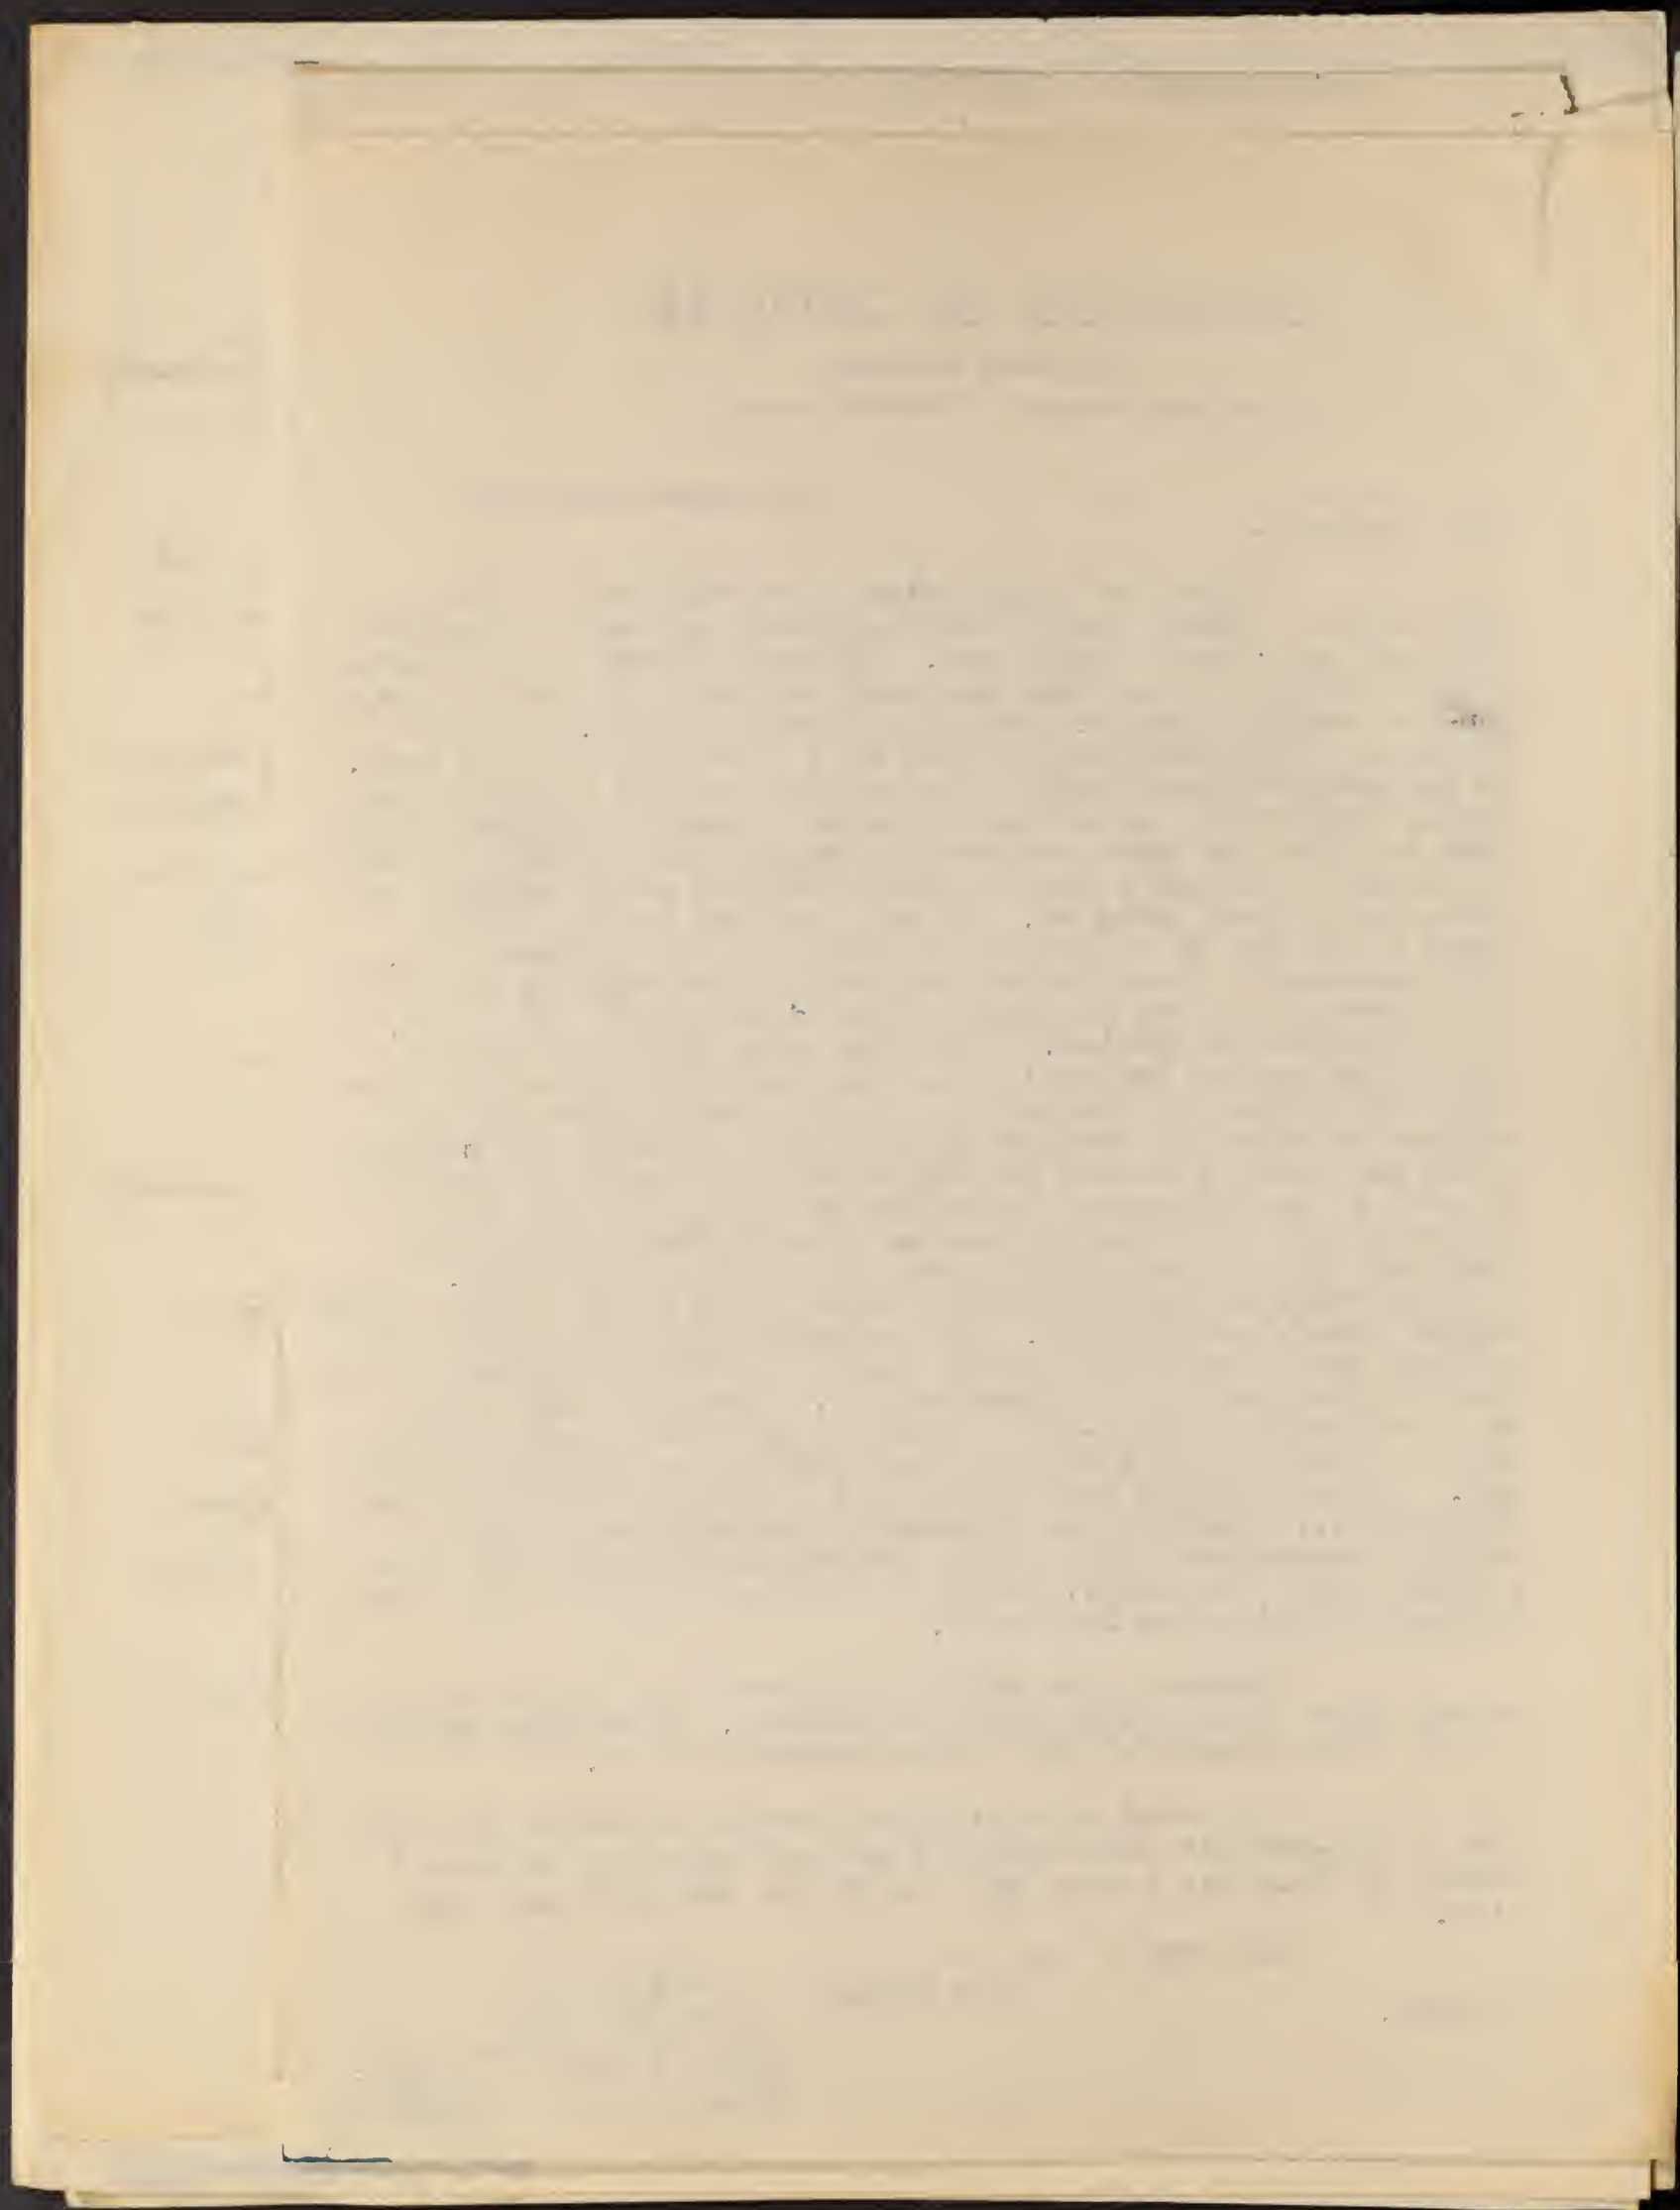

It would be a pleasure for me to invite you here for a week-end but inasmuch as I am just boarding at home I cannot do this but please drop in if you are near here any time.

As ever I am

Dear Friend:-

Arrived home OK although it rained a lot while I was down east and spoiled proposed Cemetary visitations. It was certainly a treat to visit you and talk over matters of mutual interest. (l) For any damage, partial loss, or shortage, unless written notice thereof is given at any office of the Company within thirty days from delivery;

(m) For any loss or damage occurring to shipments addressed to stations where there is no agent of the Company after such shipments have been left at such station;

Dear Freeman:-

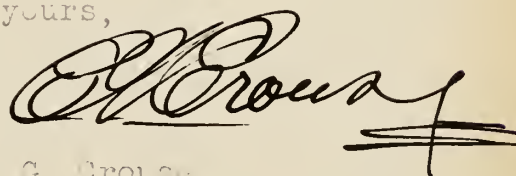

I am enclosing the death notice of our mutual friend Val. This was quite a shock to me as he and I were so co-operative in our Genealogical work and he was the one to give me sound advice and led me to many valuable contacts. We will all miss him and his enthusiasm. Well- I guess we all must travel the same way west- and leave someone else to put that last date in the lineage. (It is nice to go spiritually prepared too)

Are you still delving into the mysteries of family folklore? I do so, spasmodically, and at present I am working through Old Country agencies re my Grievie and Fairbairn lines. There is a woman in Toronto conducting a Genealogical Exchange with a Bulletin mimeographed containing Queries and Records. Write to Thomas W. Maywell, 10 Stanton Ave., Toronto 6, if you are interested.

Please write if, and when, you feel led,

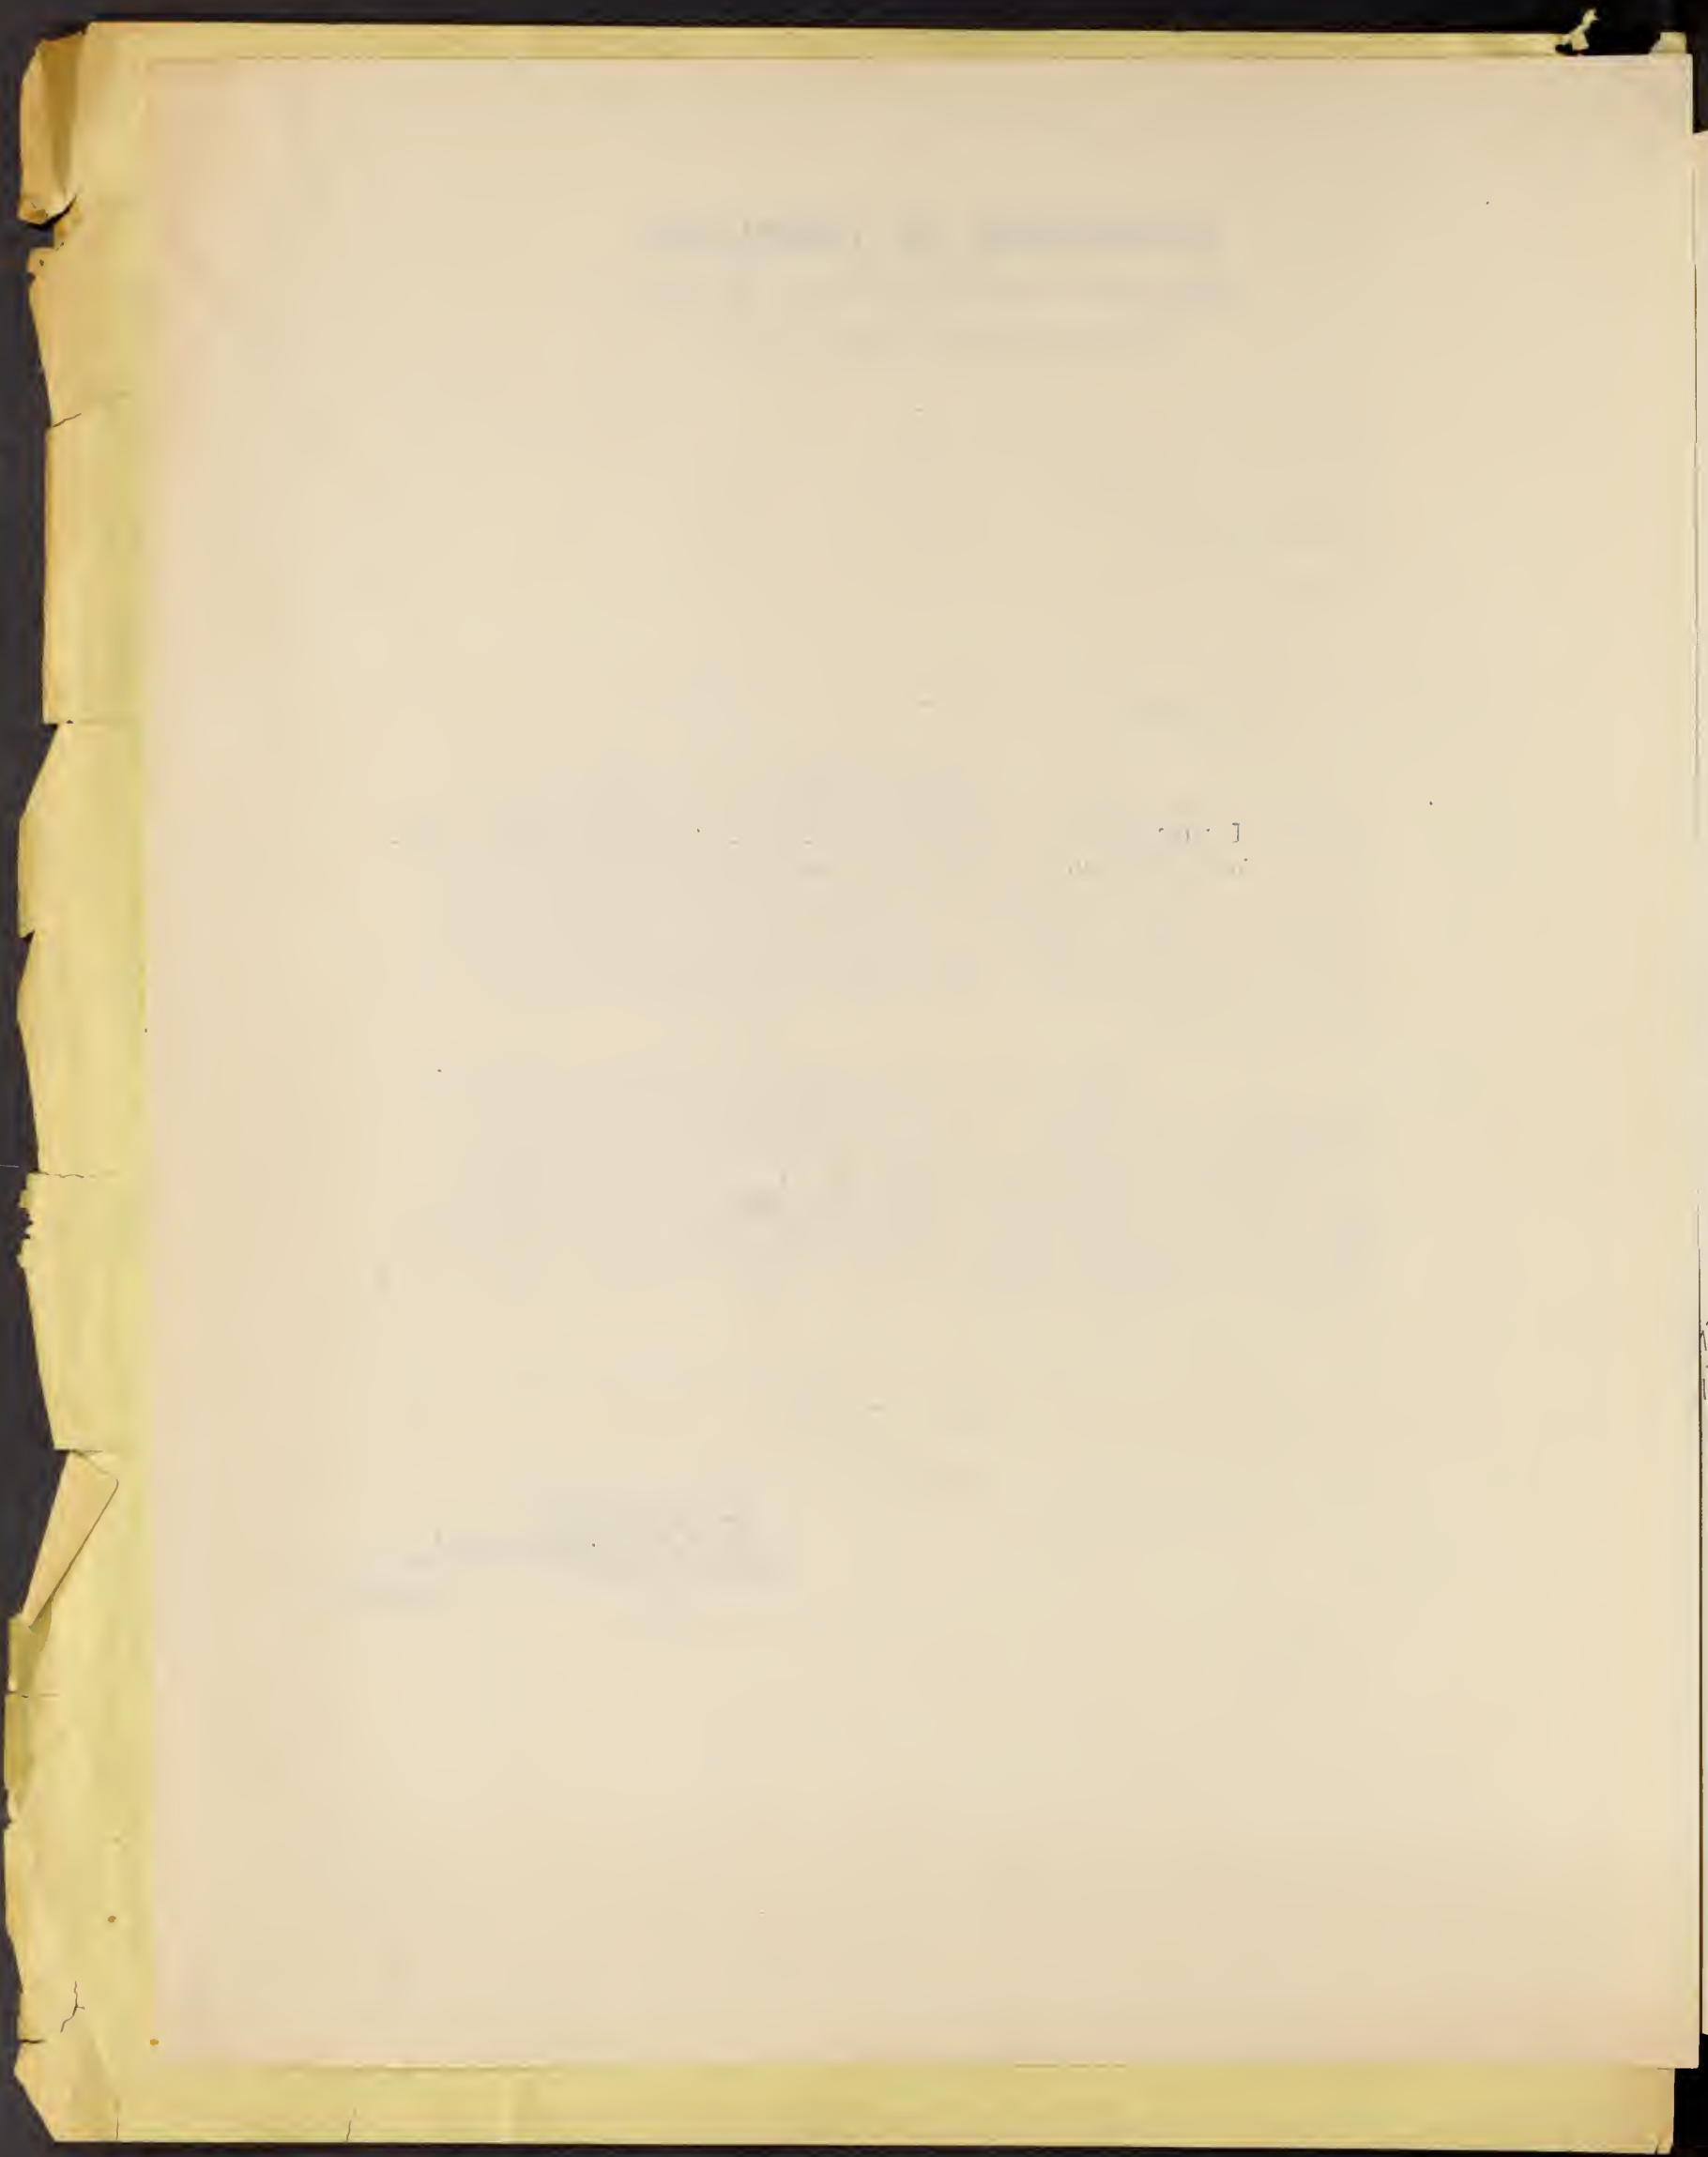

As ever I remain,

Sincerely yours,

C. G. Crouse

Mr. Ray W. Freeman

Dear Sir:-

Dr. Burleigh was telling me that you were still in the land of the living so I am trying to re-new an old acquaintance with this letter. I recall the old days when you and I and Valteau, Dr. Demorest, Burleigh, etc. used to exchange information on Genealogy. I trust you are still interested. If so, perhaps you could help me with this De.Groff family.

In tracing the brothers and sisters of my Great Grandfather, Richard Hitchens Crouse, 1817-1900, I discover one Matilda Crouse who married Stephan DeGroff. Just recently I came across a family born in your town who may fit into the picture. Could you help from your records, or know of any other contacts who could help? Please advise. The man born in 1884 (see sheet) said that one of his Grandmothers was a Rogers but I do not know if it was on the paternal or maternal side.

I have found that my Anne Williams, wife of Richard Morden, 1765-1832, was a daughter of John Williams a U.E.L. born in 1718. Have you anything on John's wives' name, or any dates on Anne?

After about 7 or 8 years lapse I find myself irresistibly drawn over to my old fascinating hobby again and I would like to exchange data with you again.

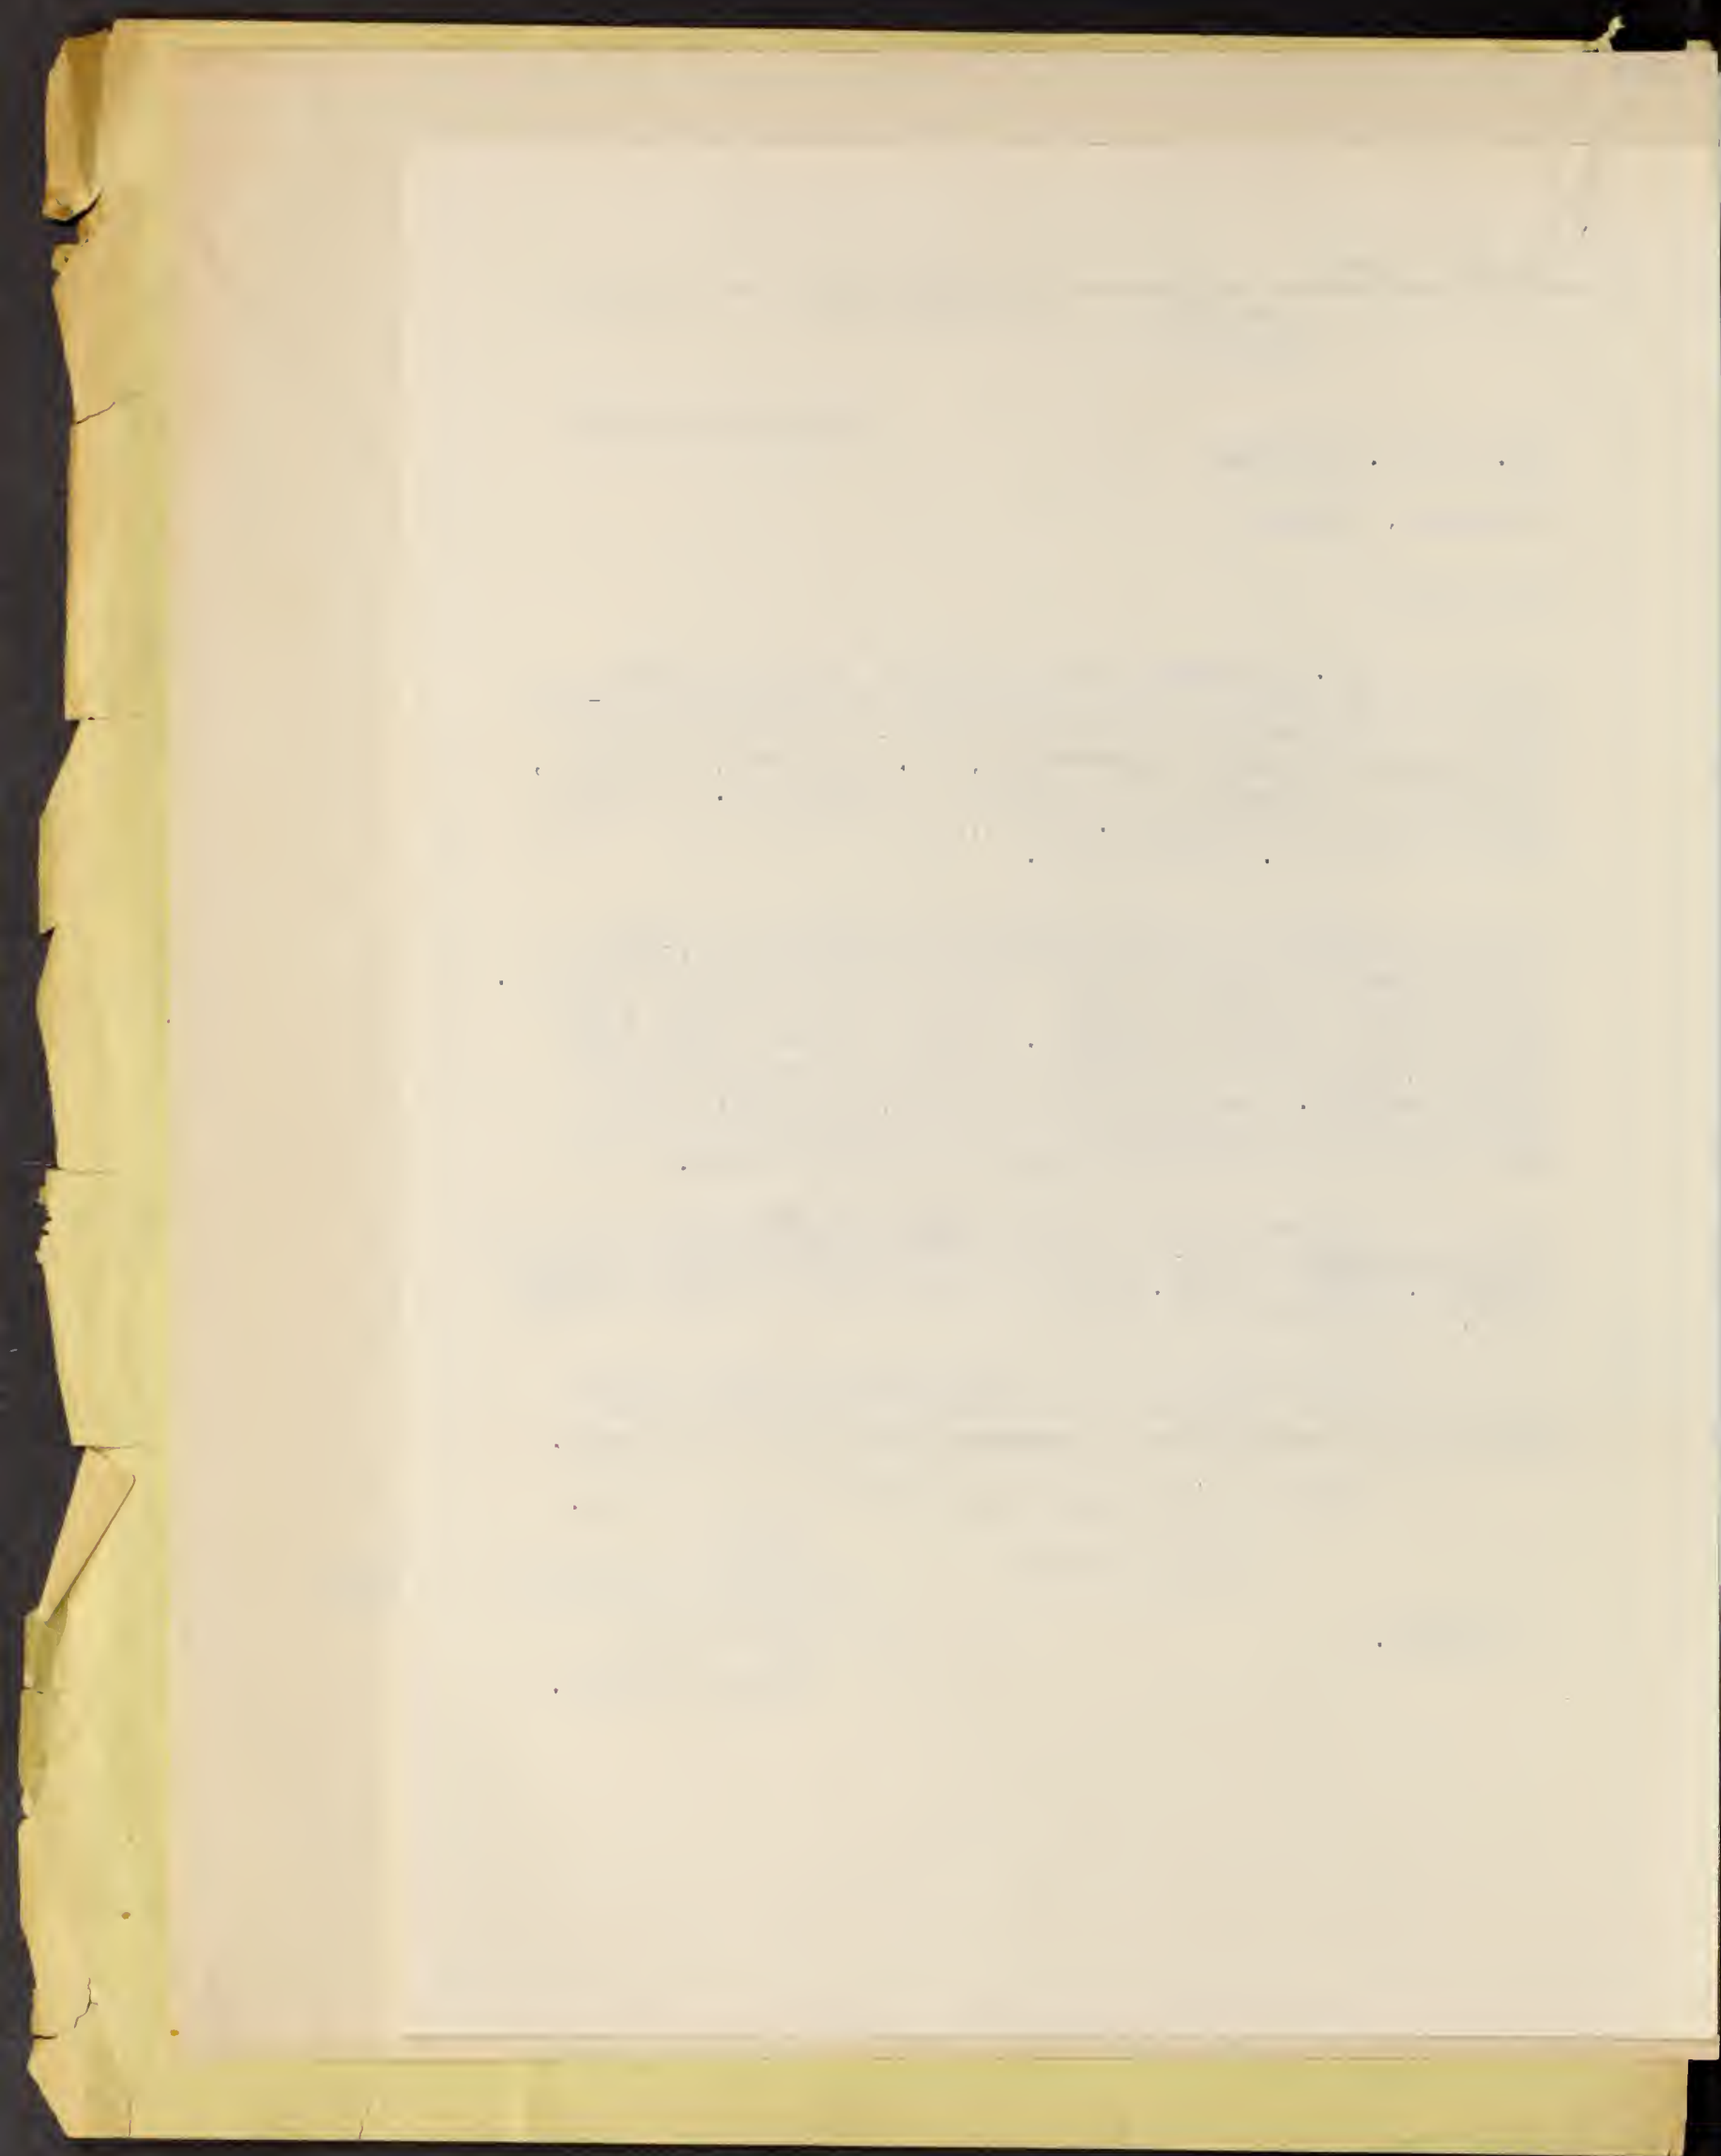

Please write whether you can help me or not.

As ever yours,

cgc;Enc.

Gordon Crouse.
